What is a friend?
I will tell you.
It is a person with
whom you dare to
be yourself . . .
C. Raymond Beran

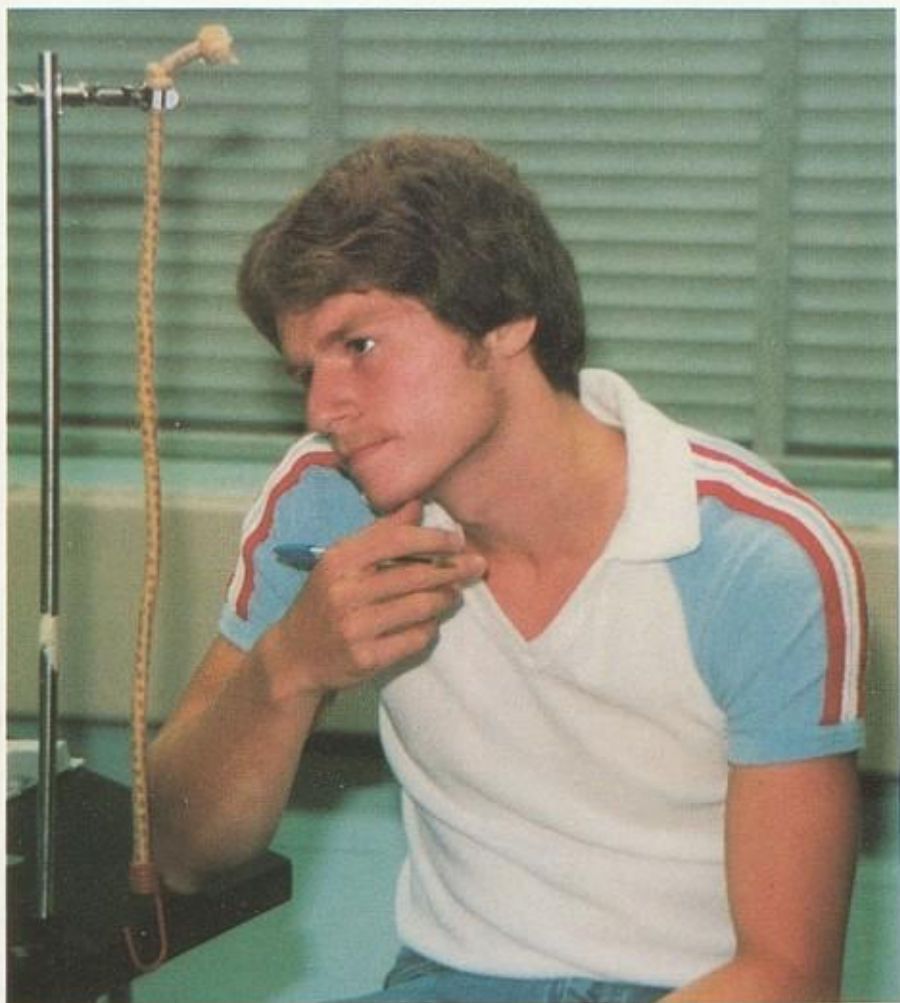

"Where go the years?
But moments fleet, uncertain
that swiftly speed and disappear
from mortal view?
Where go the years?
To seek the darkness and to hide
within the dust of old hall clocks?
Or ride forgotten moon beams
to the sky?"

Phyllis Heidenreich

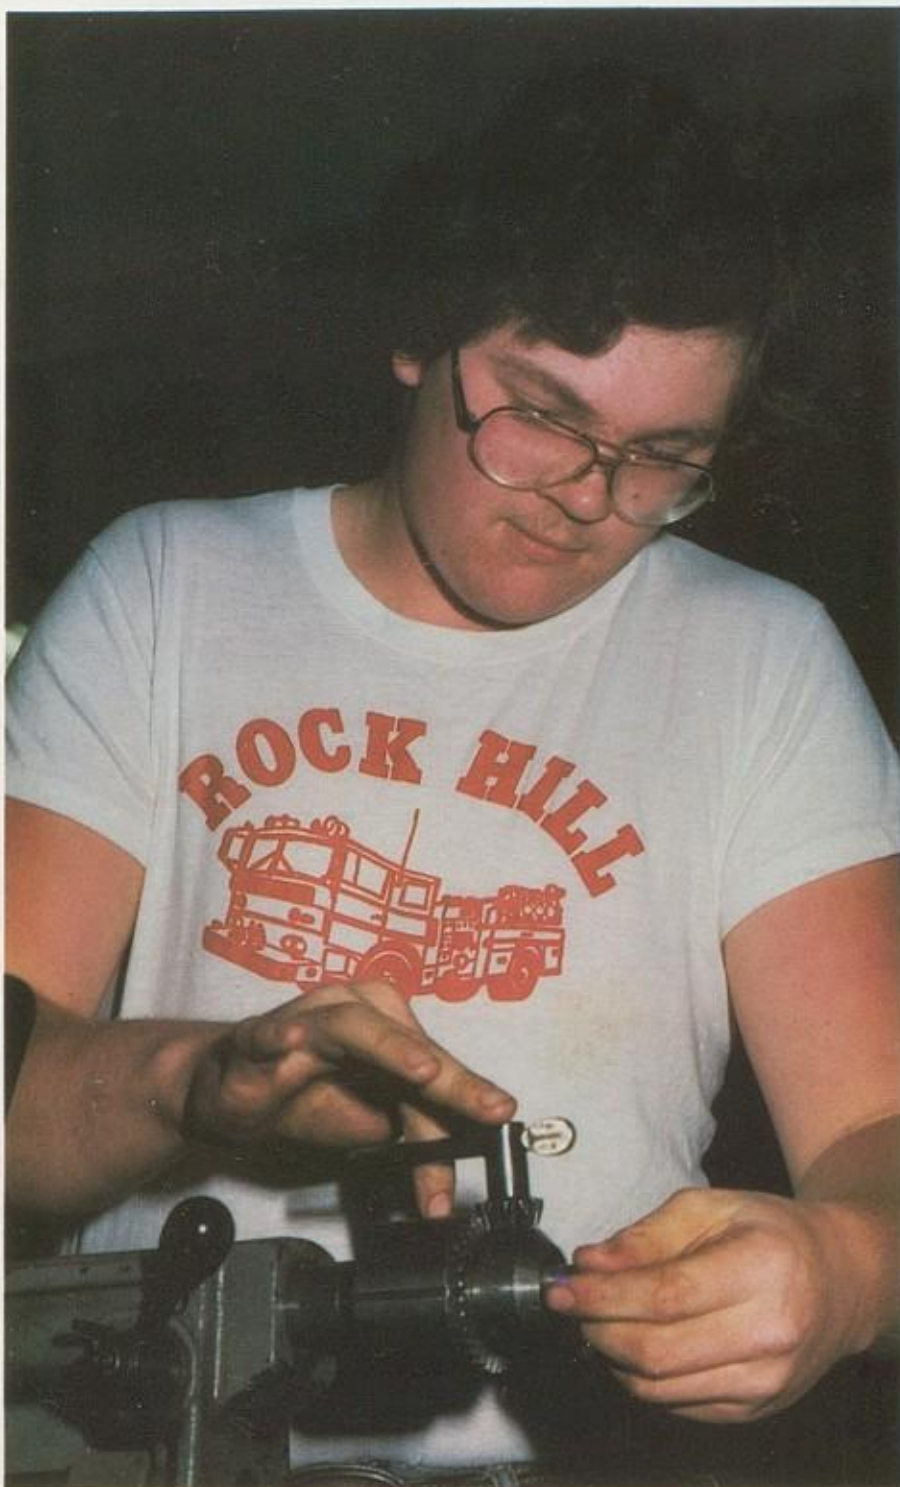

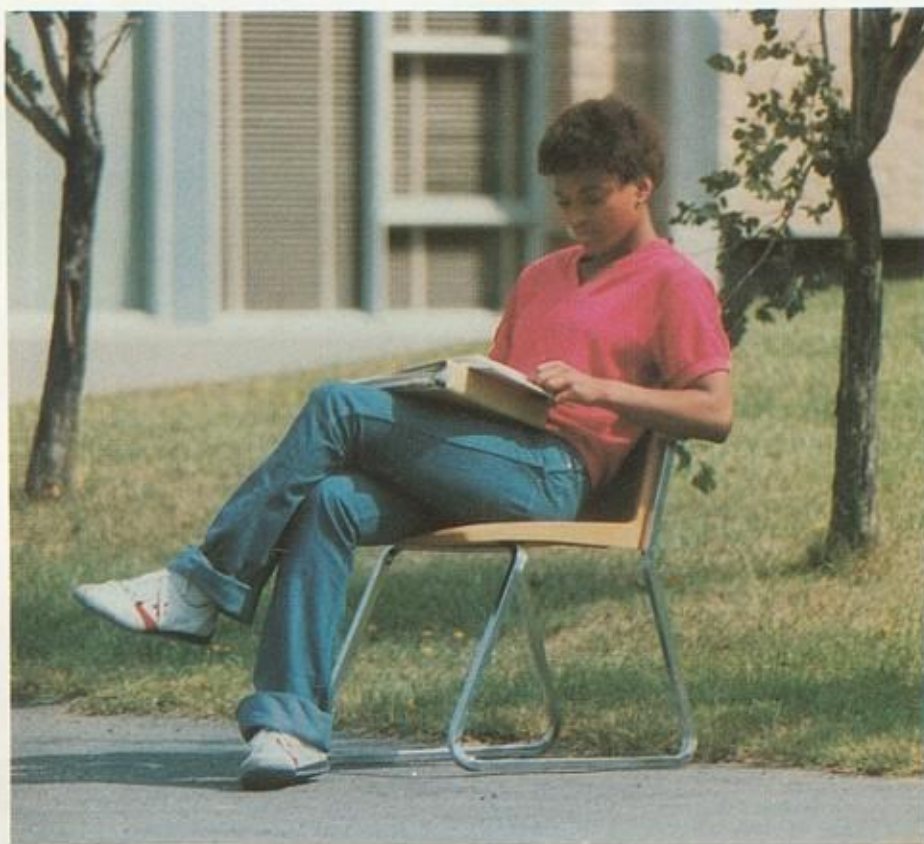

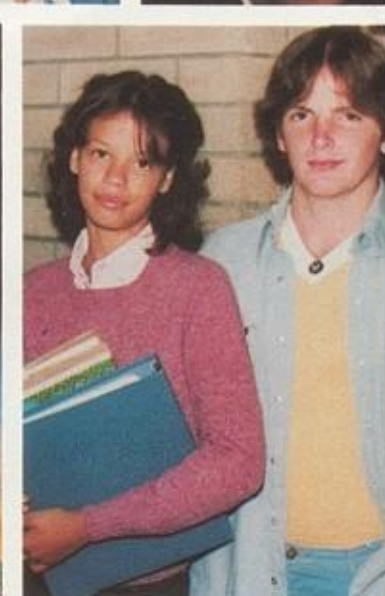

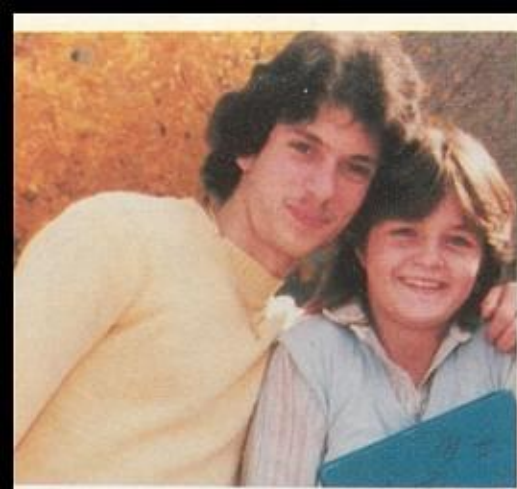

For yesterday is already a dream,
And tomorrow is only a vision;
But today, well lived, makes every
yesterday a dream of happiness,
and every tomorrow a vision of hope.

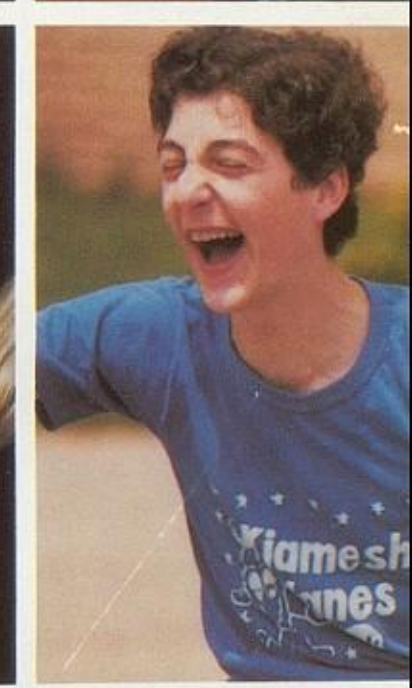

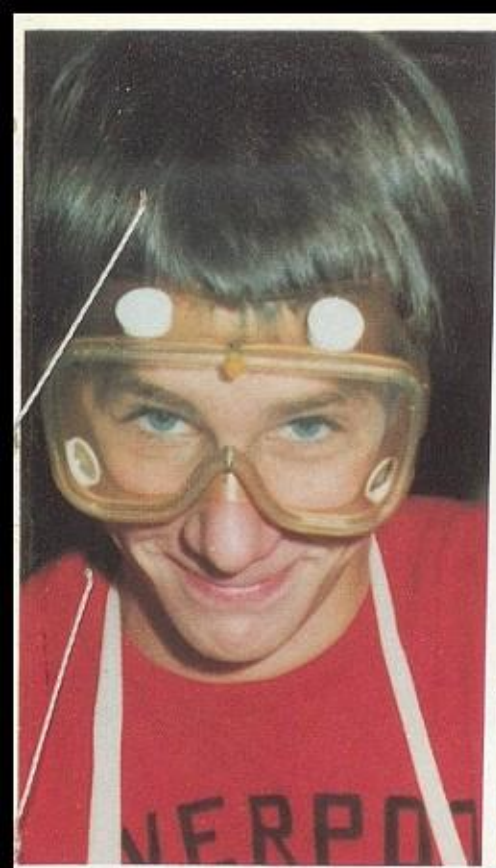

From the Sanskrit

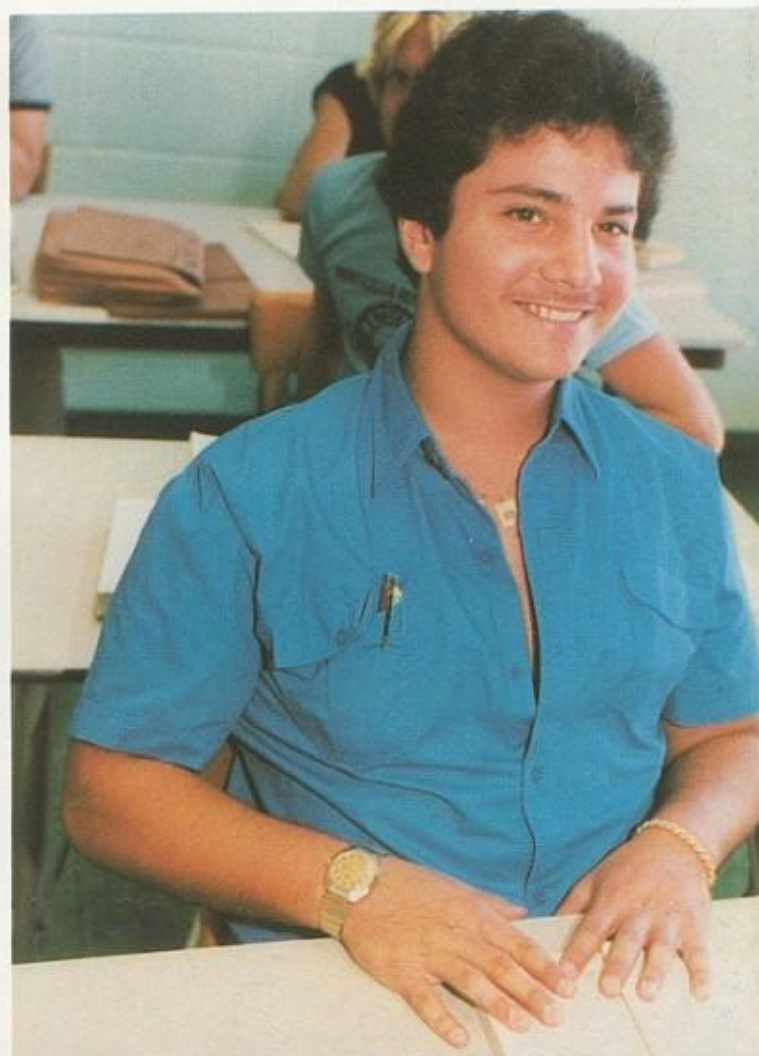

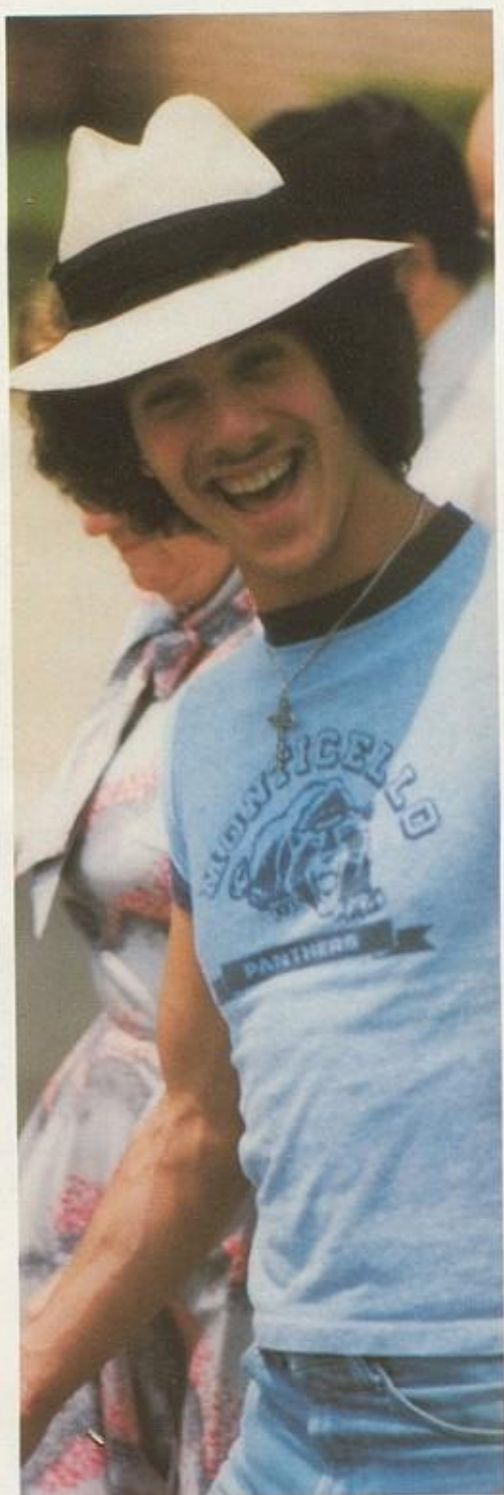

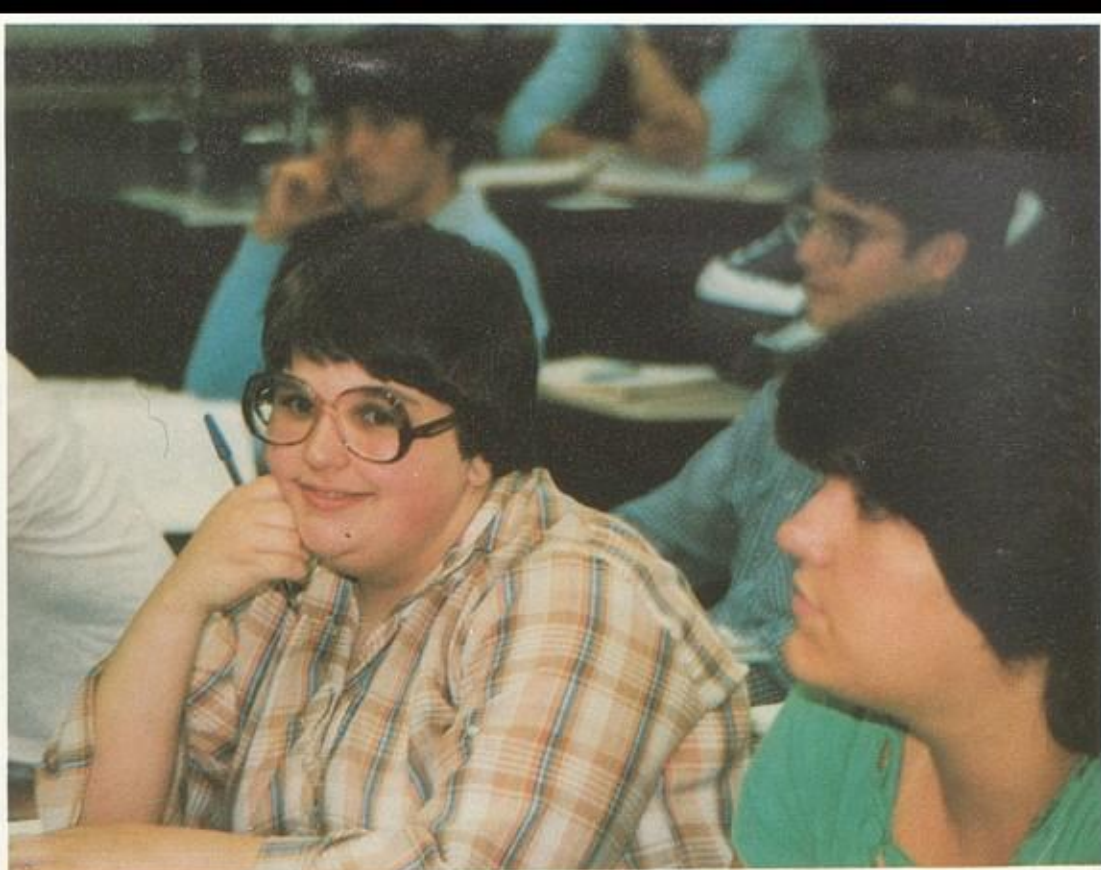

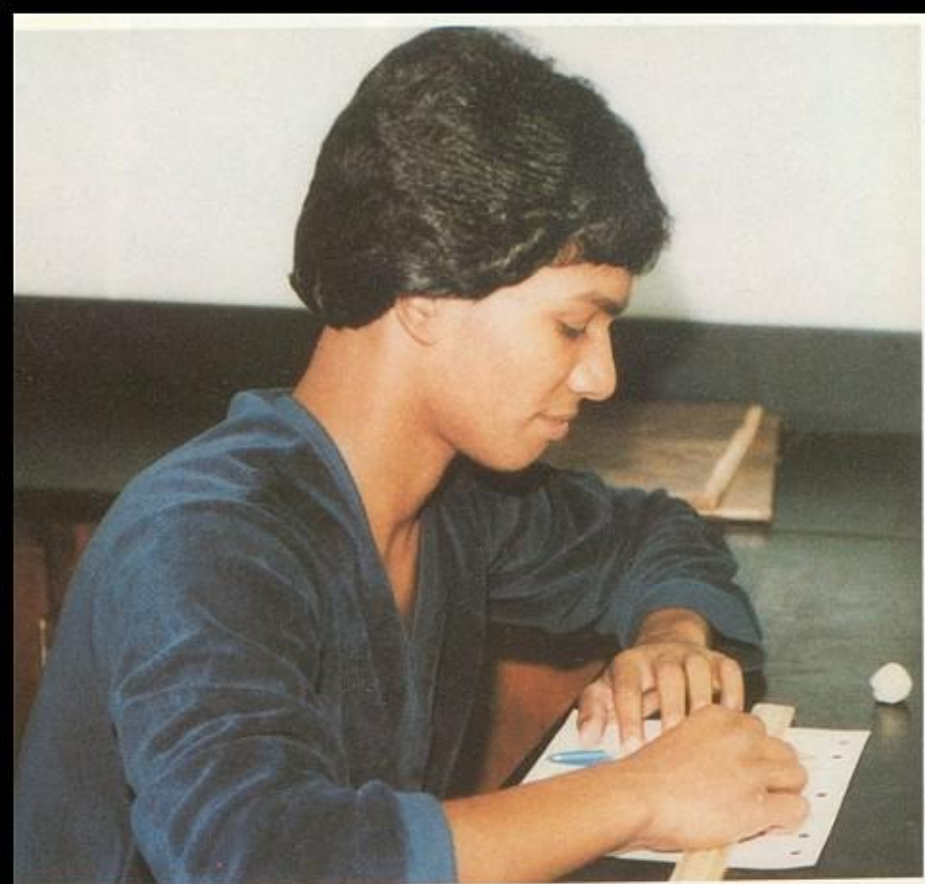

Now looking back at all we've had, we let so many dreams just slip through our hands. Why must we wait so long before we see how sad the answers to those questions can be?

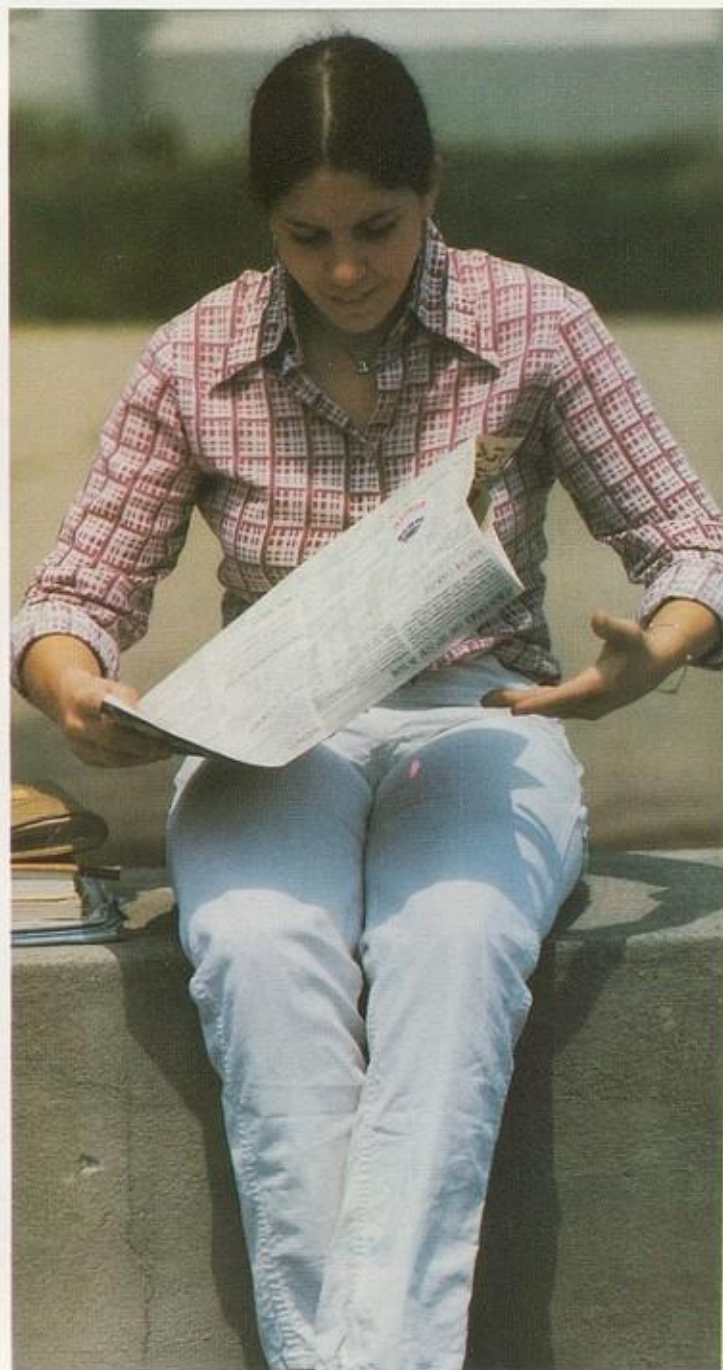

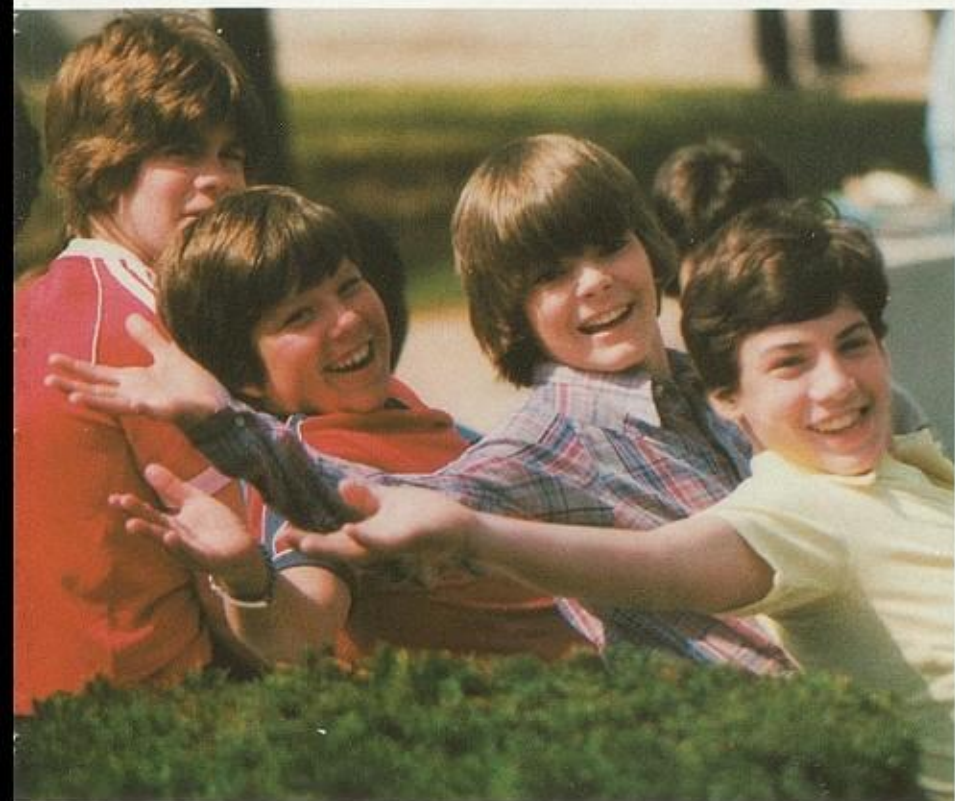

Whenever I see your smiling face, I have to smile myself.

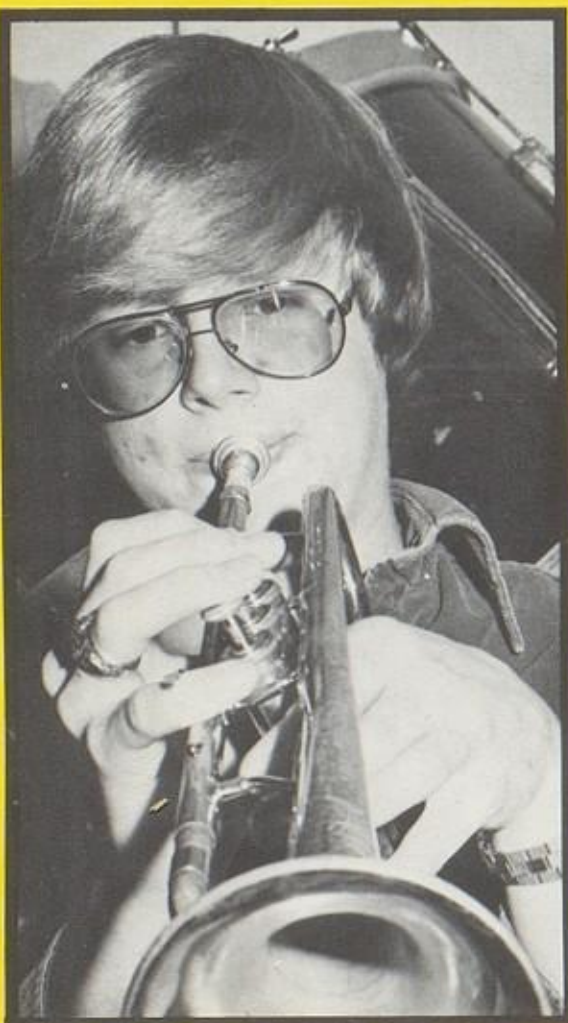

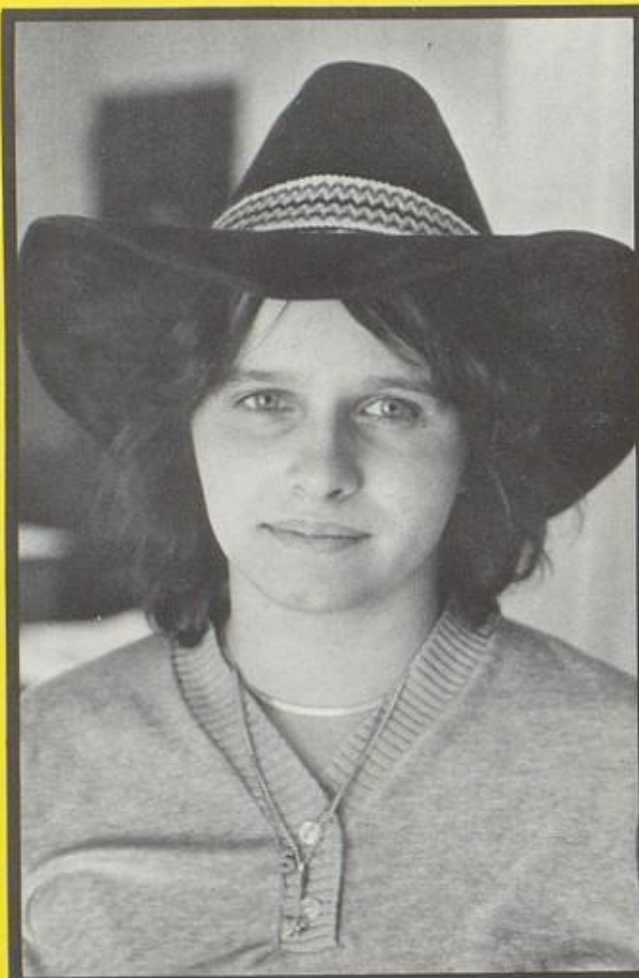

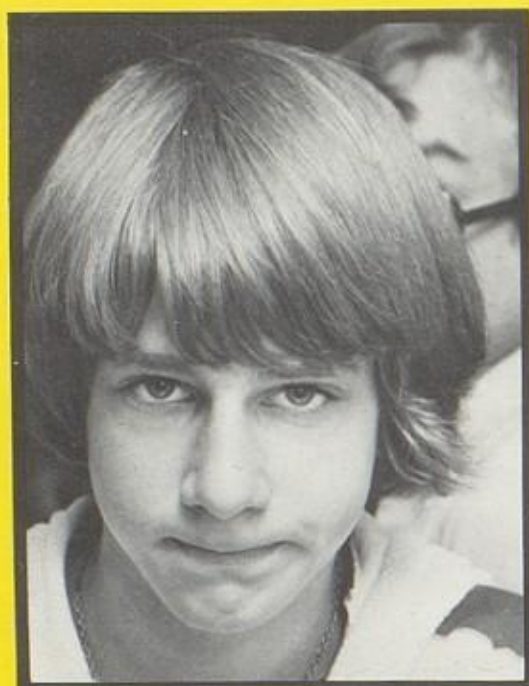

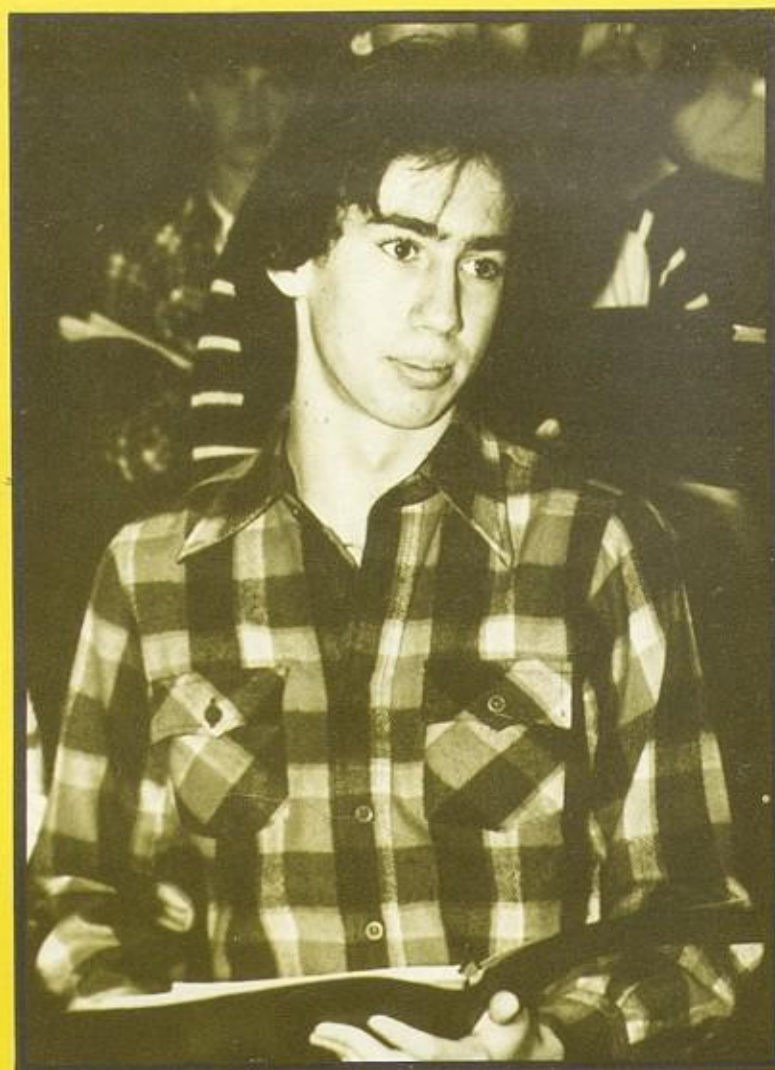

James Taylor

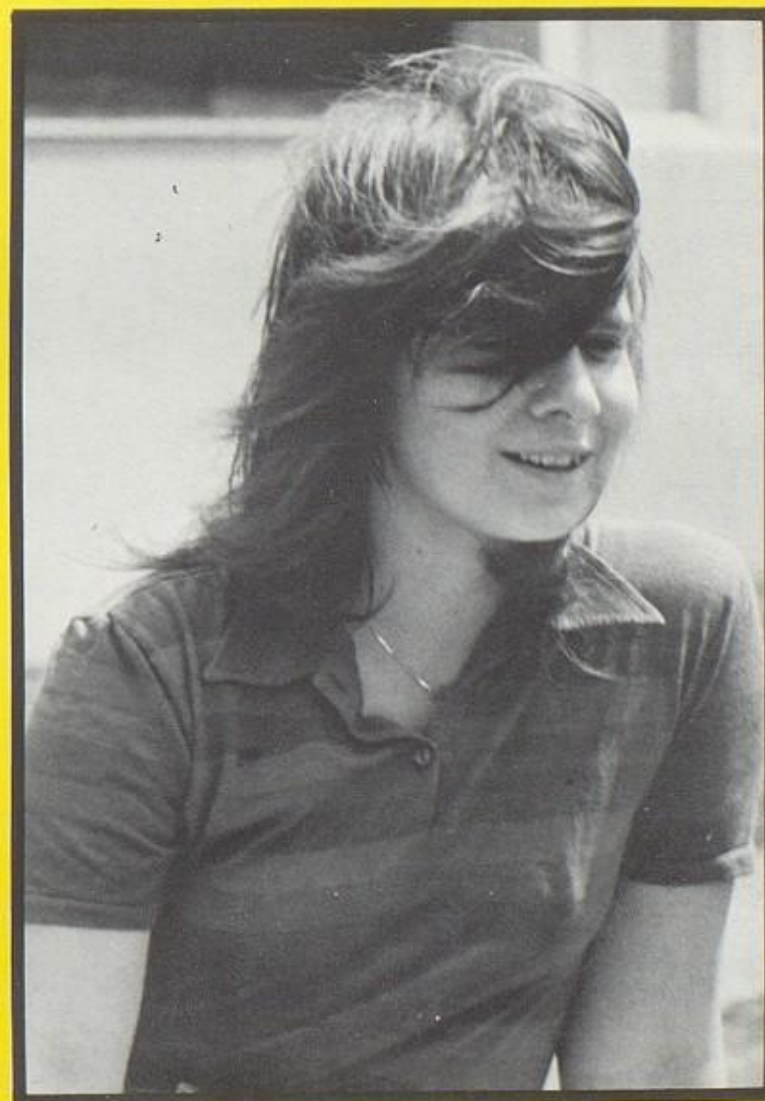

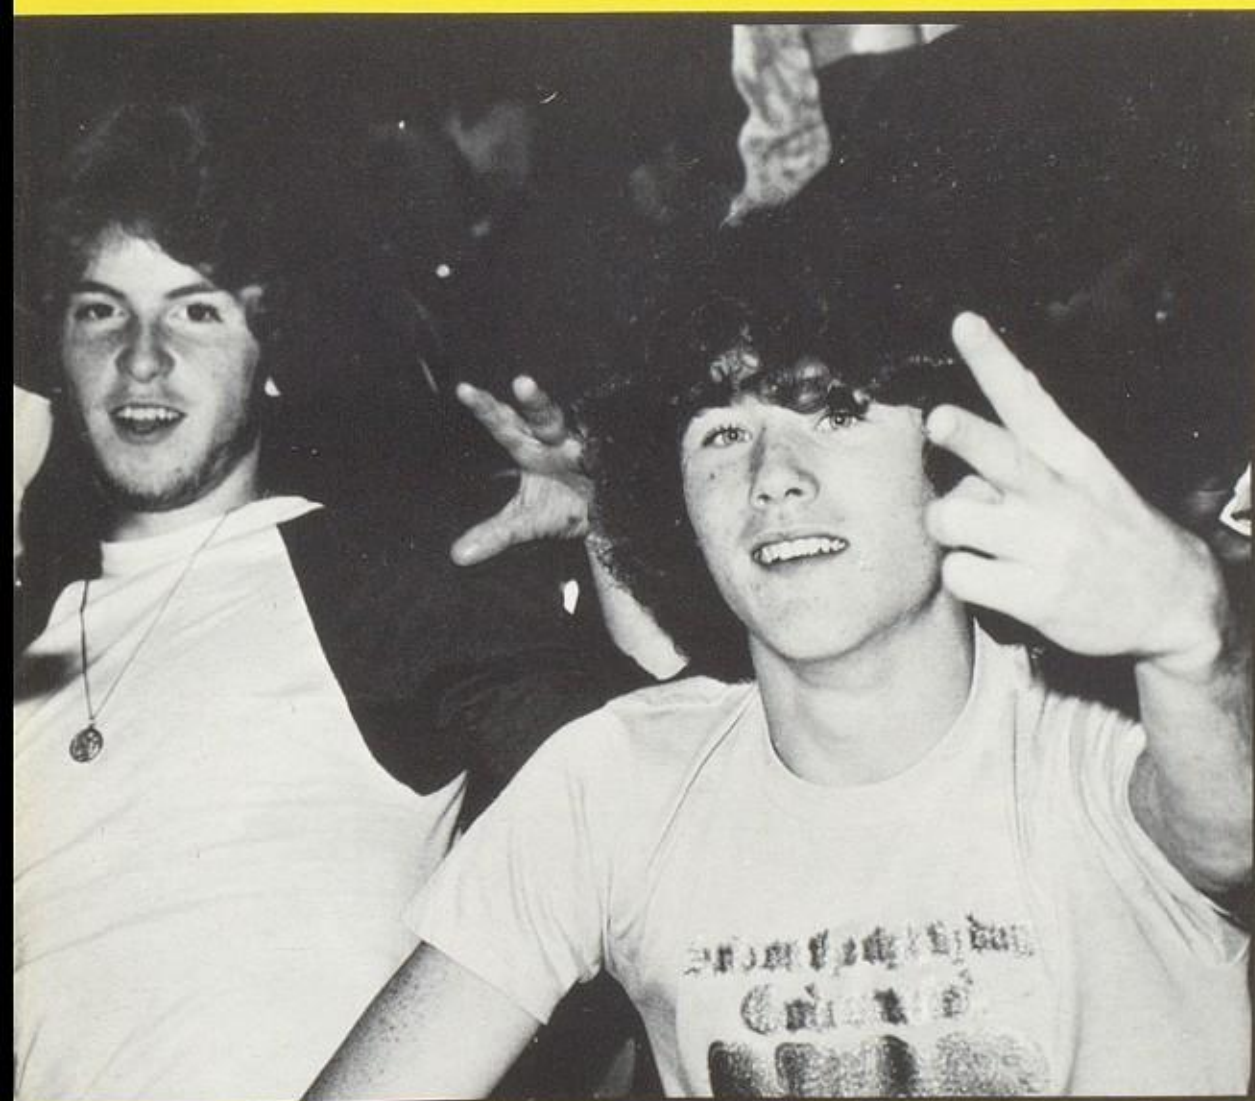

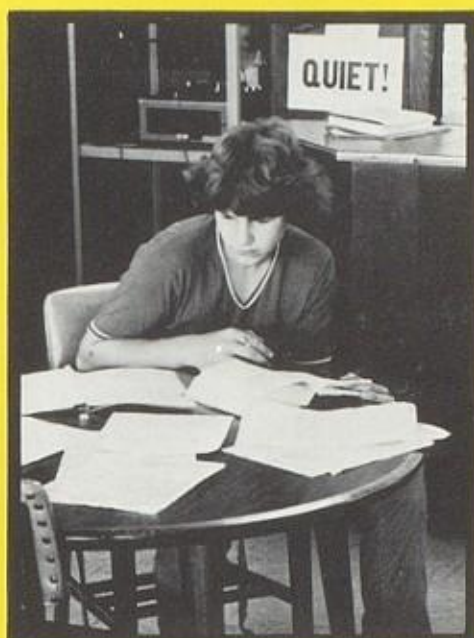

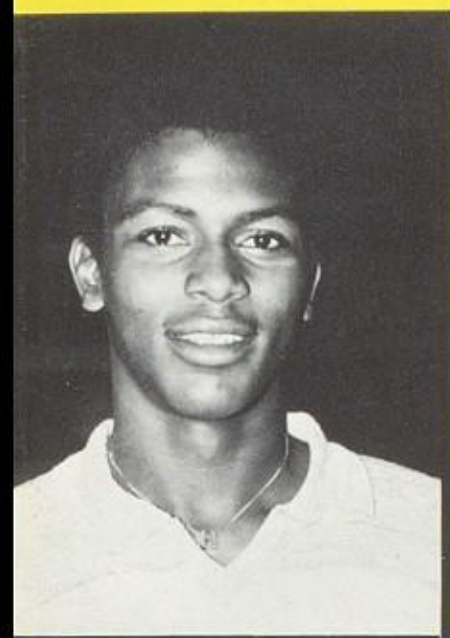

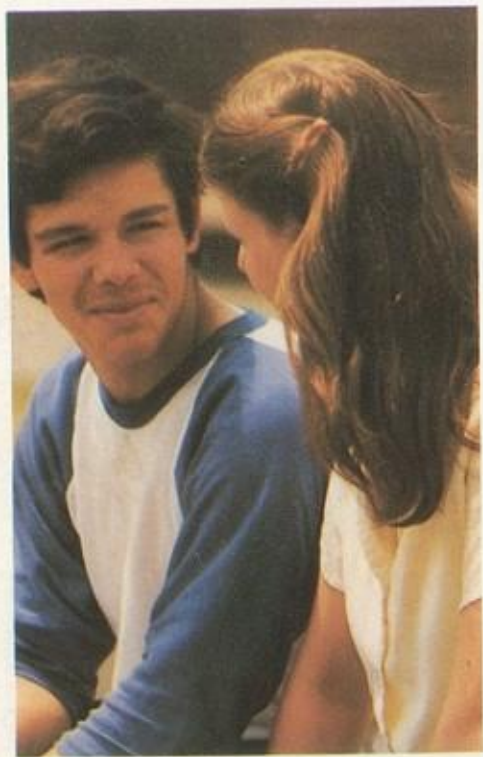

The great thing in the world is not so much where we are, but in what direction we are moving.

Mr. Robert Harding's first year as principal was a very successful one. He has become a special part of all of us. This page reflects the many expressions we have come to know him by.

We have worked with him, learned from him, laughed and cried with him, but most of all we have grown to love him. Thank you.

As of this year Mr. Jack Radar has become Assistant Principal of our school, but he has been a part of our lives since the Middle School.

When we first saw him we remember the horror of going to 110, but after this year we know him as a friend whom we will long remember with a smile and love.

Elinor Buckman's retirement from the Monticello School system, after almost thirty years of devoted service, leaves behind a legacy much greater than just her professional excellence as Secretary to the principal.

This lovely lady has quietly, but with loving charm, served the students and staff of our district with a graciousness that has made all our lives much more pleasant than they might have been. Even on the most hectic days, Mrs. Buckman has always had time to help students and teachers calmly, efficiently, and with a smile and a twinkle. Her good humor is but an expression of the deep compassion she has demonstrated towards all of us.

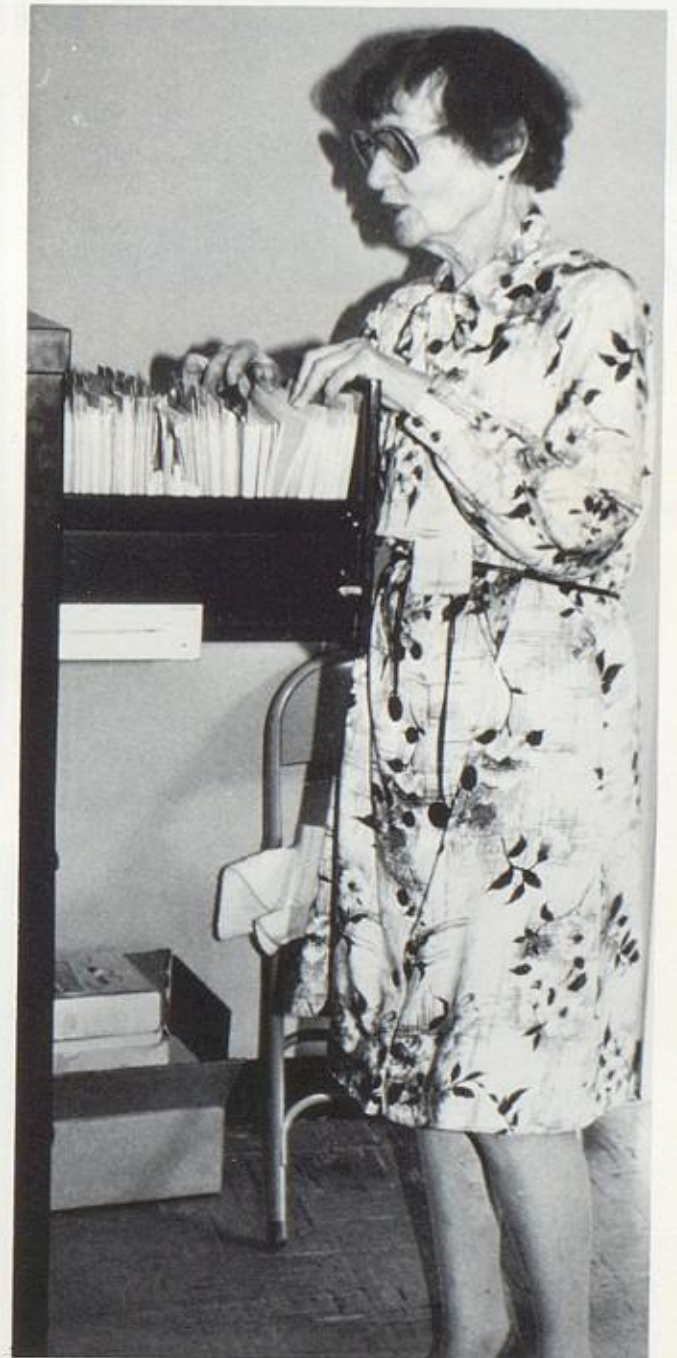

In perhaps her most revealing gesture of all, Mrs. Buckman paid honor to the importance of education, to Dr. Kiley, and to all of us when she personally created an award in honor of Dr. Kiley's retirement last year. This year, the staff and faculty of Monticello High School have chosen to pay tribute to Mrs. Buckman by means of a similar gesture; they have created a special monetary award to be given in Mrs. Buckman's name to a deserving senior entering a college secretarial course of study.

We all love you, Mrs. Buckman. We will miss you, but we wish you a happy and healthy retirement. Please visit us often!

With much love,

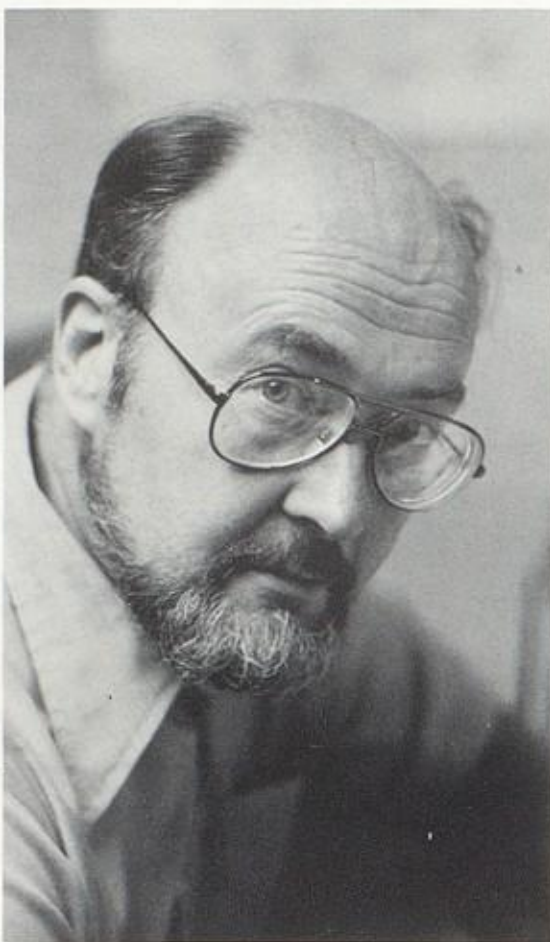

The Students, the Faculty, and the Staff of Monticello High School

Junior Prom

"We've Got Tonight"

The 1980 Junior Prom, with more than two hundred people in attendance, was a most successful event.

At the beginning of our preparations for the prom, great apprehension coincided with our excitement. The problems we faced made our work that much more difficult, but we believed our goal was important to reach.

Patience was something we all had to learn and we learned it from one another. That's what made our prom so special. We believed in ourselves and that belief pulled us through.

We are no longer the class of '82 but the family of '82. Thank you Monti High for your support and your spirit.

"You are never given a dream without the ability to make it come true."

Jr. Prom Court: Queen - S. Pizano King - G. Frick 1st runners up - B. Pinto, C. Tully 2nd runners up - L. Gordon, M. Van Inwegen 3rd runners up - D. Simanovicz, P. Strauss 4th runners up - J. Murran, D. Villena

l to r - D. Villena, J. Murran, C. Tully, B. Pinto, S. Pizano, G. Frick, L. Gordon, M. Van Inwegen, missing: D. Simanovicz, P. Strauss

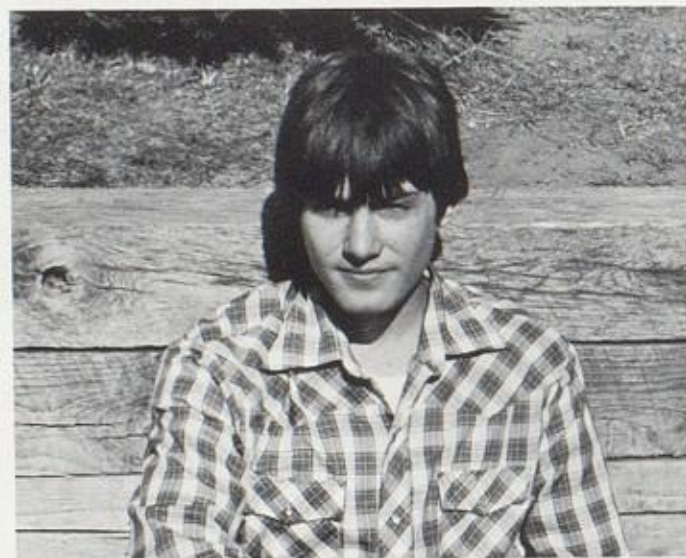

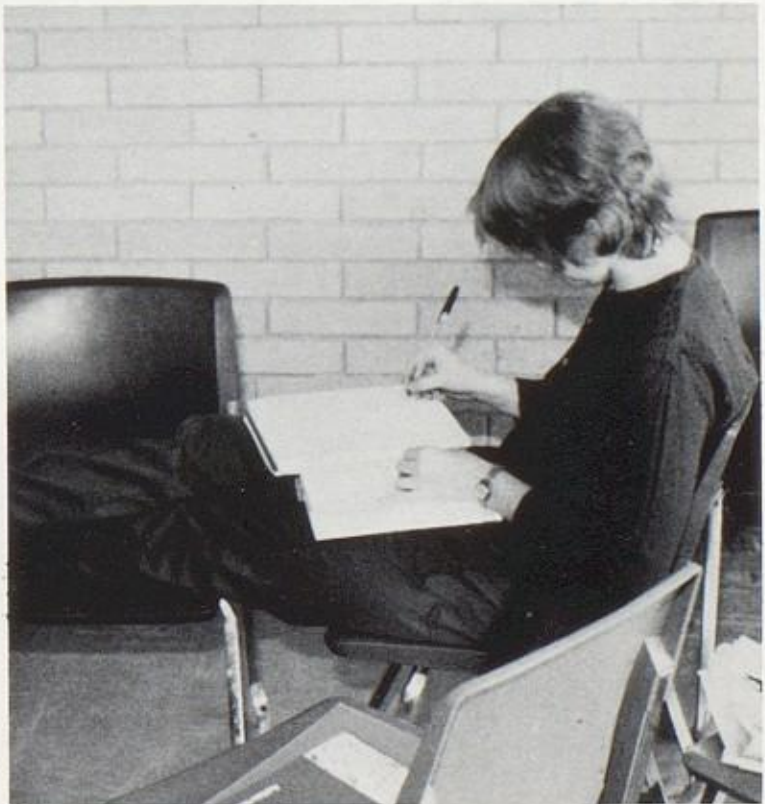

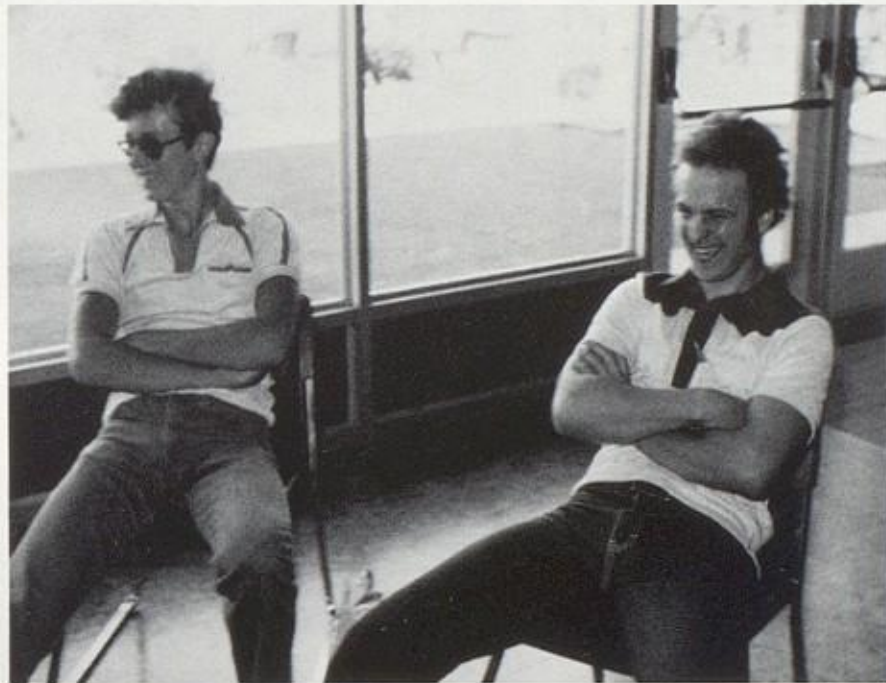

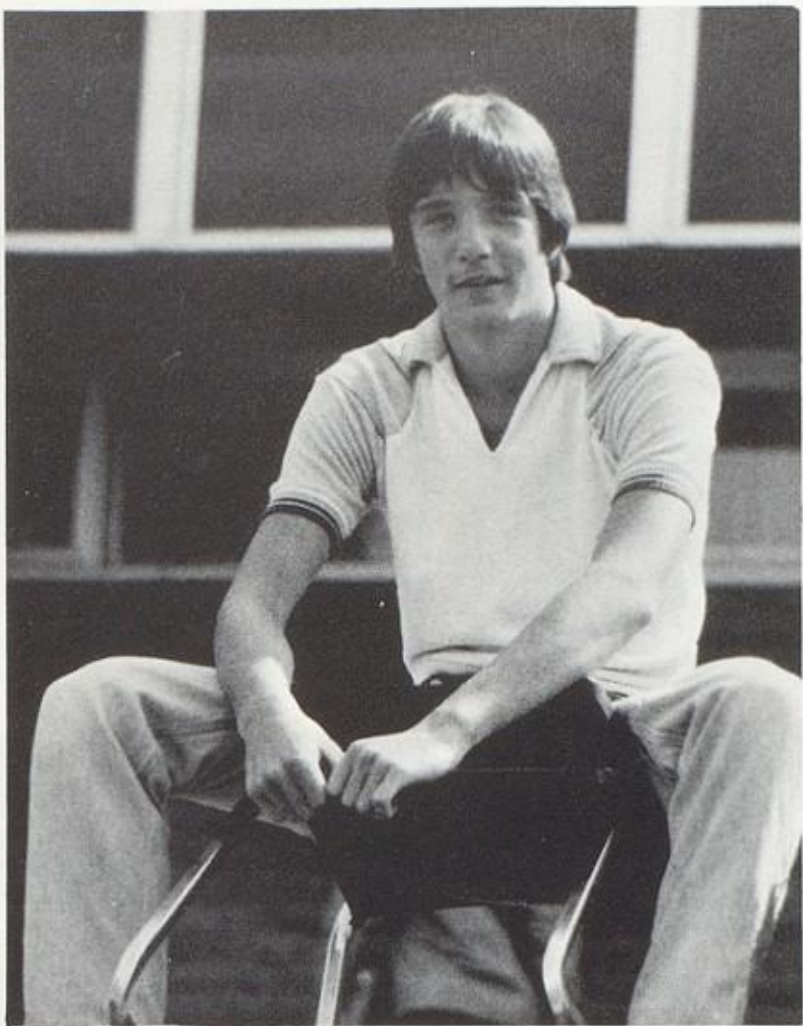

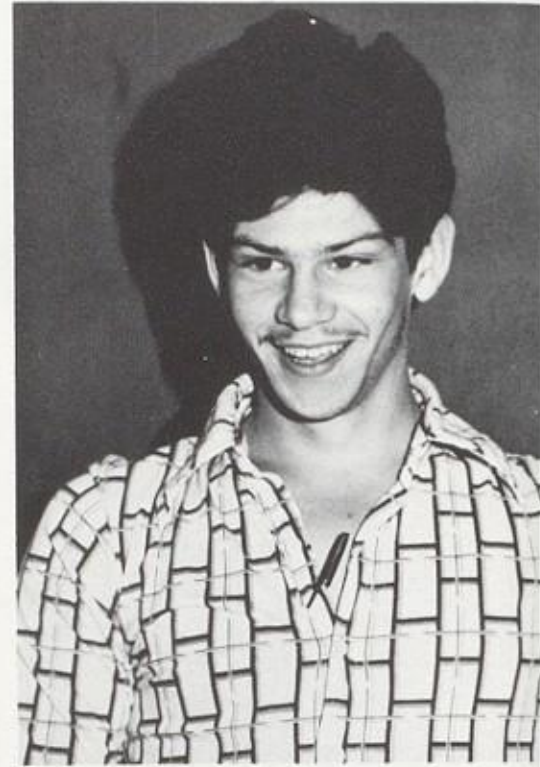

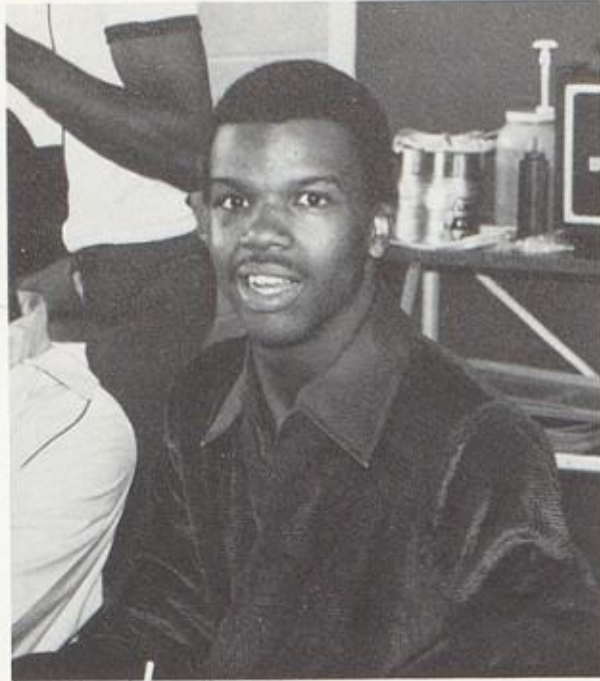

Has Senior Lane got you down? Are you tired of watching the same T.V. shows, pitching quarters, playing penny hockey, and chess. Sick of gossiping with the group and trying to get work done unsuccessfully?

Are you disappointed that lane isn't all it's cracked up to be? The only alternatives are guidance, the library, and the hallways?

If you answered yes to one or more of the above, we have the answer: just remember what studyhall was like.

Senioritis Hits Monticello High School

It hits approximately two hundred and fifty High School seniors every year. Prominent physicians across the country have been researching this strange disease. It appears mysteriously every September and continues until graduation in June.

The symptoms are: lack of motivation, boredom, lowering of averages, increased absenteeism, defiant attitudes, and distorted egos.

As yet the physicians have not found any conclusive evidence about the cause of this chronic disease.

So, if you know someone that has these symptoms, just grin and bear it. June will be here soon enough!

Immortality

Do Not Stand By My
Grave And Weep . . .
I Am Not There, I Do Not Sleep.

I Am A Thousand Winds
That Blow,
I Am The Diamond Glints
On The Snow.
I Am The Sunlight On
Ripened Grain,
I Am The Gentle Autumn
Rain.
When You Awake In
The Morning's Hush,
I Am The Swift
Upflinging Rush
Of Quiet Birds In
Circling Flight.
I Am The Soft Star
Shining At Night.

Do Not Stand At
My Grave And Cry.
I Am Not There. I
Did Not Die.

If you can't be a pine on top of the hill,
Be a shrub in the valley but be
The best little shrub by the side of the hill.
Be a bush if you can't be a tree.
If you can't be a bush, be a bit of grass
And some highway happier make.
If you can't be a muskie, than just be a bass
But the liveliest bass in the lake.
If you can't be a highway, be a street.
If you can't be the sun, be a star.
It isn't by size that you win or feel.
Be the best of whatever you are.

Do not follow where the
path may lead.
Go, instead, where there is no
path and leave a trail.

Sometimes I wonder
Where I've been,
Who I am, do I fit in?
Make believing is hard alone
out here on my own.

We're always proving who we are
always reaching for that rising star
to guide me far and shine me home
out here own my own.

When I'm down and feeling blue
I close my eyes so I can be with you
until the morning sun appears
making light of all my fears.
I dry the tears I've never shown
out here on my own.

Sometimes I wonder
where I've been,
Who I am, do I fit in?
I may not win, but I can't be thrown
out here on my own . . .

ALL STATE - ALL EASTERN

One of the biggest high school musical events of the year is the New York State School Music Associations Annual Conference. Each year, outstanding high school students are selected from throughout the state to participate in one of the Conference's performing groups.

This year Monticello had five of their outstanding musicians selected to perform at the Conference.

Lori Budoff, Melanie Reed, And Ira Walter were all chosen to perform with the All State Mixed Choir, while Angela Rausch, and Kathleen Schaefer were asked to perform with the second All State Women's Choir. All the participants did a superb job.

Every two years, an All Eastern concert is performed by students selected from surrounding states. Monticello sent Ira Walter to represent them in this year's concert.

We congratulate Lori And Angela for being selected to participate in Conference All State for the second year in a row. We also congratulate Kathleen for being selected this year, and Ira for his acceptance into All State and All Eastern Choir. Congratulations to Melanie Reed for being selected this year; we wish her good luck next year, too.

As the saying goes, "Out with the old, in with the new." As the Music Department welcomes Ms. Karen Hooghuis, the new string teacher, we say goodbye to a special instrumentalist. Angela Rausch has served for four years as concert mistress at Monticello High with all the dignity the position demands. Ms. Hooghuis, a graduate from New England Conservatory of Music, will soon be training another violinist to be concert mistress. We wish the best of luck to the both of you.

Dear Monti Music Department,

Here are 21 questions we've always wanted to ask:

- 1) Why do concerts start at 8:01, not 8:00?
- 2) Why do we always have to perform massive musical chaos at the end of every concert?
- 3) Why does Mr. Rovitz always say "pooh-pooh-cah-cah?"
- 4) How often does Nuk start?
- 5) Why does Mr. Hughes start every number "Beat, beat, ready, and . . . ?"
- 6) Does Mr. Hughes say, "Beat, beat, ready, and . . .," in concerts too?
- 7) What's next year's musical?
- 8) If I get an "A" on my solo, can I be exempt from the final?
- 9) Why does everyone call Mr. Banner, Uncle Miltie?
- 10) How often does Mr. Hughes' wife dress him?
- 11) Why Grouse?

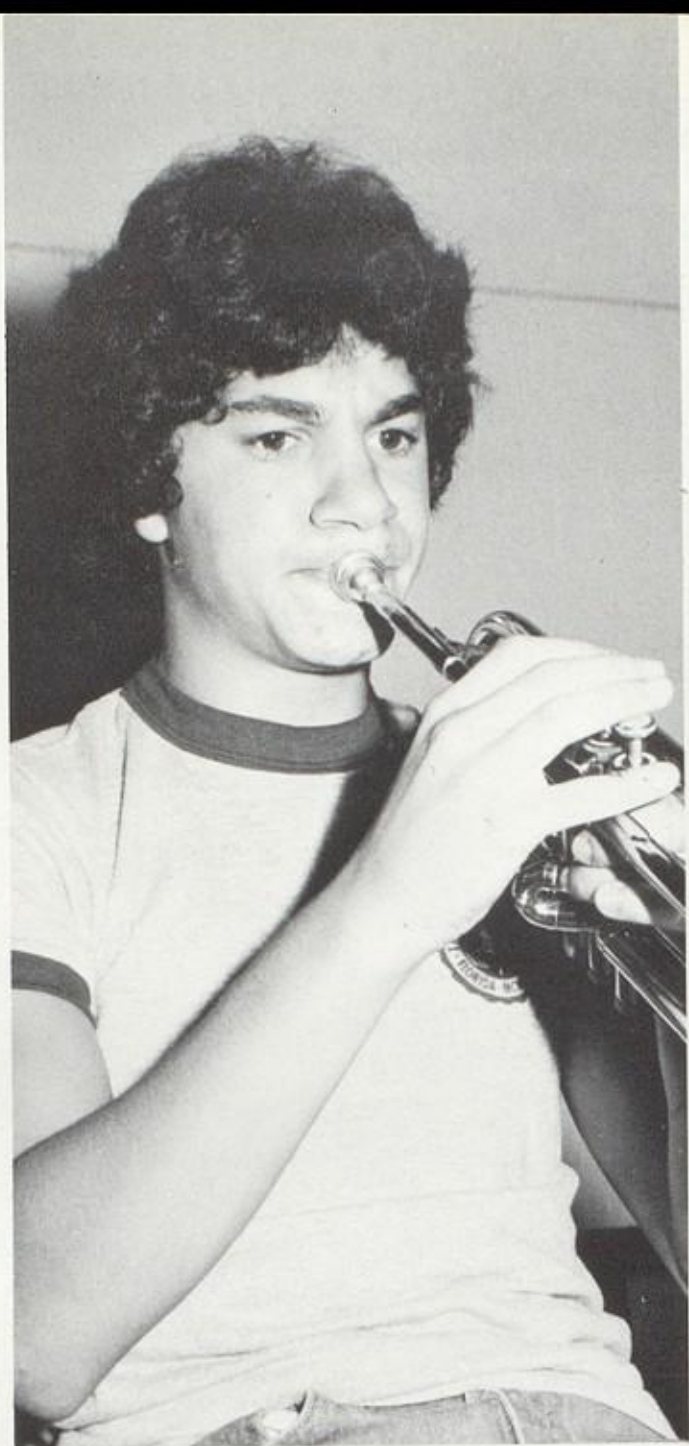

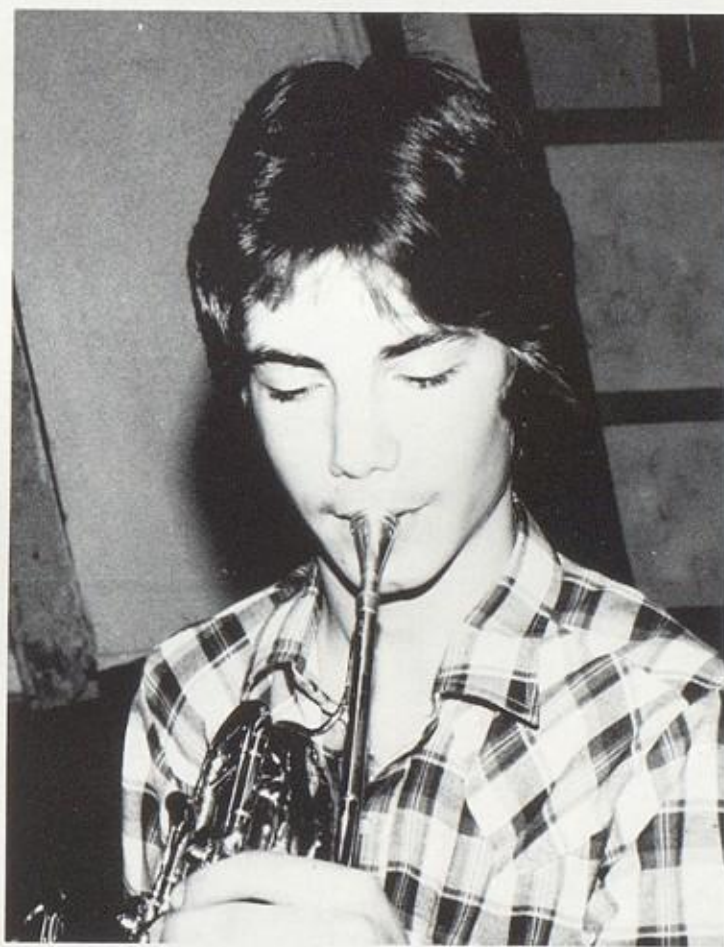

- 12) Why are the best tissues at the bottom?
- 13) Du bing, du bang, du dong?
- 14) Why does Mr. Banner's piano say King Arthur's Court?
- 15) Why is Choir's duck fully dressed in a t-shirt, and band's gorilla only in underwear and sneakers?
- 16) Why doesn't orchestra hear the morning announcements?
- 17) Why does Mr. Rovitz' voice crack, and should he take singing lessons to cure it?
- 18) What ever happened to Idi A-Duck, and who kidnapped him?
- 19) What's an Idi A-Duck?
- 20) Are Mr. Hughs, Mr. Banner, And Mr. Rovitz really the three stooges?
- 21) Will you miss the Monti Musicians of '81 as much as they will miss you?

Thank you,
Monti Musicians

Dear Monti Musicians,
Yes, we will.

Few people really understand what interact is all about. Interact is a service club designed to help our school and community. Monticello High School's Interact Club was once again designated, last year, by Rotary International, the number one club of its kind in the world!

Each year, Interact raises nearly \$4,000 for worthy causes through various projects that include the annual Pancake breakfast, the sale of oranges and candles for a scholarship, the delivery of carnations on Valentine's Day, and the raising of money for the Thanksgiving and Holiday Drives.

Interact also visits Crystal Run at Christmas, and works at the Special Olympics, the Rotary Art Show, and at the annual Run-A-Thon, as well as on many other projects.

Interact members have fun, too. host exchange students, have parties and picnics, challenge Key Club to a yearly basketball game, hit teachers in the face with pies at the Thanksgiving assembly, attend our annual District Convention at Kutsher's Hotel, and do what we do best - HAVE A GREAT TIME!

Key Club

Key Club is an organization that serves both the school and the community. It has nearly fifty members with Jeff Perlmutter serving as president.

1980-1981 has been another typically successful year for the Monticello Key Club, with school projects such as Servant Day, Christmas Santa Sales, and Easter Bunny Sales, not to mention donations to Student Council when funds were needed. Out of school, members were constantly on the go, raising money for Special Olympics, the Heart Association, and the Red Cross, as well as visiting local infirmaries and hospitals and establishing the Key Club as an important community service organization. With a fine service record to show, Monticello served as the House Committee at this year's New York State Key Club Convention held at the Pines Hotel.

We can look forward to many more years of faithful service from our dedicated Key Club members.

Honor Society

With Mrs. Horton to guide us, President Debbie MacAdam to lead us, Jerry Bradshaw to back her up, Susan Oestrich to record the proceedings, and Lori Cedeira to pay our debts, we, the members of the National Honor Society, have worked hard to serve the school and have had fun doing it. Our activities include the traditional newspaper sales, tutoring, the Senior Homecoming, Freshman Orientation, Parents' Night, the Senior-Faculty game, inductions, kindergarten screening, scholarships, and a picnic.

We have reached most of our goals for the year, and we have done our best to prove ourselves reasonably intelligent leaders, excelling in character, whose goal is to serve others. We hope that next year's members will reach their goals too, and that they will have as much fun as we have had.

This year's 8-3-3 team displayed the kind of school spirit and determination we can all be proud of. The girls made it to the O.C.L. sectional semifinals for the second year in a row, and Coach Larry Bryant sent seven players, a record number, to the Exceptional Seniors' game. 1980 produced a fine, sustained team effort. The Monties qualified for sectionals again this year, and went on to edge Nyack in a dramatic shootout.

The outstanding play of goalie Paul Rush proved to be the difference in many of the Monties victories as they finished the year with an 8-8-2 record.

As a result of their consistent play all season, Bob Rush, Mike Oefelein, and Dave Kaplan were selected to represent Monticello in the Exceptional Senior Game.

The Girls Cross Country Ski Team, under the experienced leadership of Captain Debbie MacAdam, won all of its meets and sent its five top skiers to the state intersectional race at Lake Placid.

The continued lack of snow, especially throughout the month of February, created problems unique to this sport; but most of the skiers continued training and completed our most successful year.

Once again, The Monticello Girls' Alpine Ski Team has shown itself to be as good as any team around, winning the O.C.L. Northern Division, Overall O.C.L., and section 9 championships, while making a strong impression at the State Intersectional meet at Lake Placid. This year's squad is one of the youngest, most powerful the school has ever had and will definitely continue to produce impressive statistics for years to come.

This is the first time in Monticello High's history that the girl's Varsity Basketball team has achieved so much and gone so far. This year the team's playing was outstanding. The team consisted of nine seniors and four juniors. Under the supervision of Coach Attack, they became a disciplined ball club with a controlled fast break. Four starters made the top twenty high scorers in the O.C.L. American Conference League. They were Sharon Wearing, Lisa Horace, Odette Rodrigues, and Felicia Bonner.

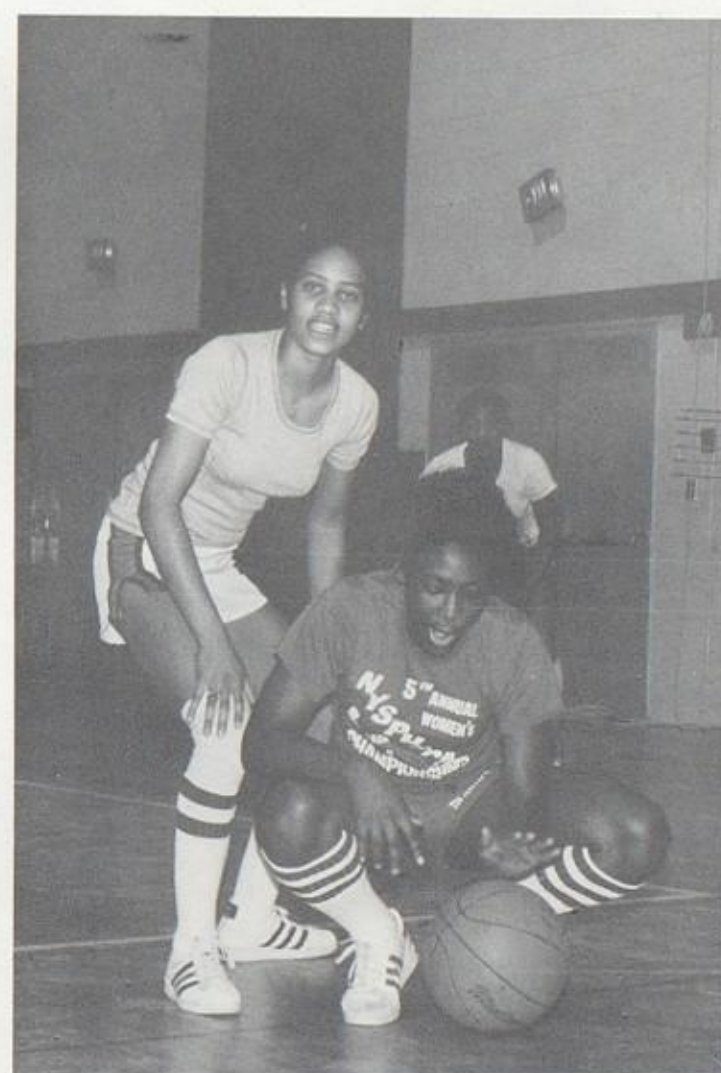

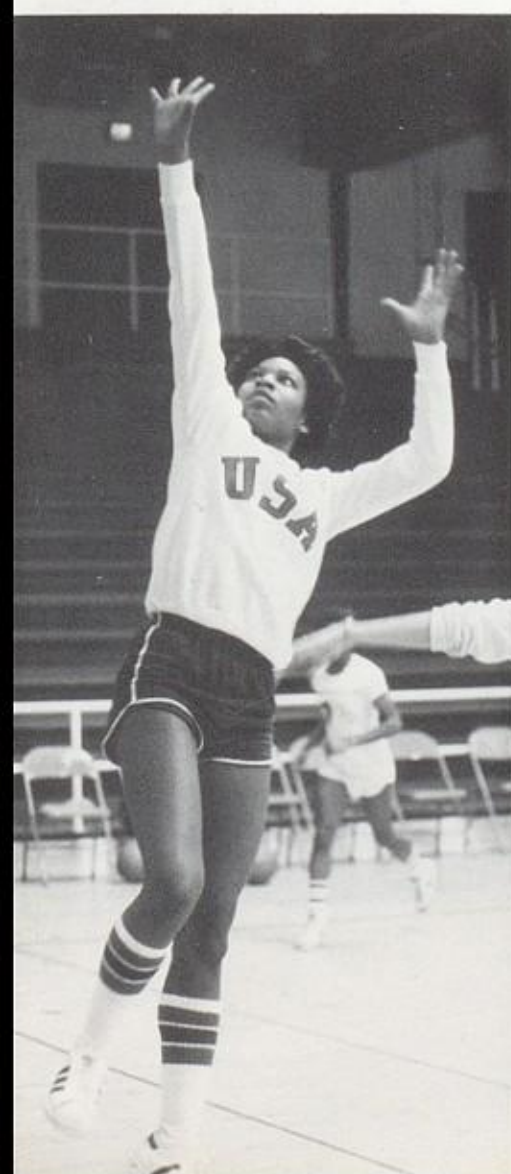

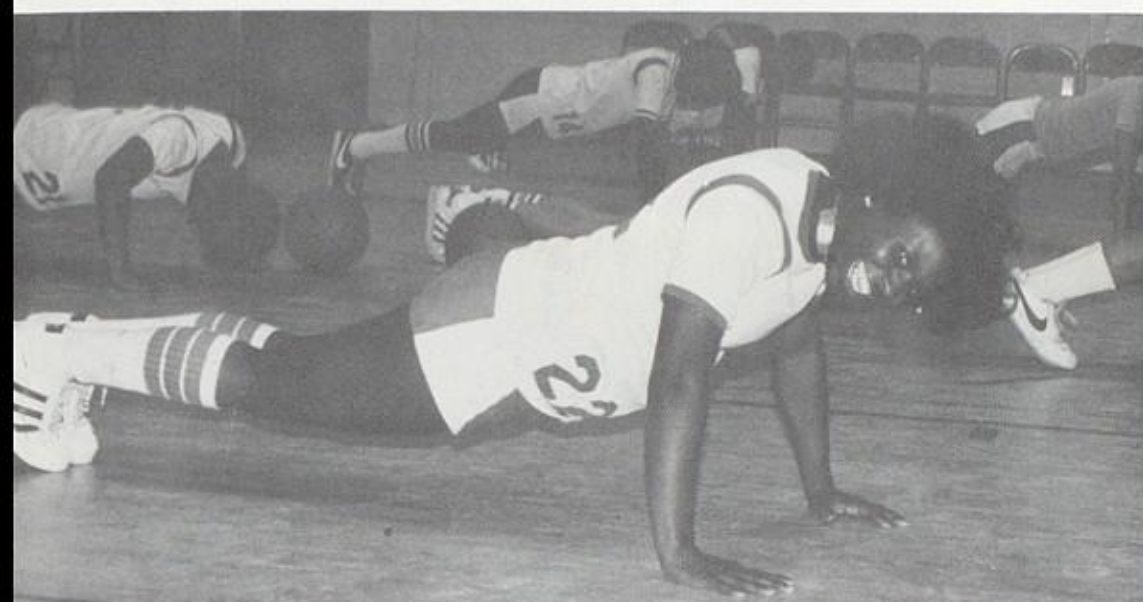

A coach should take advantage of what she has to work with; this year Coach Attack had a lot to work with and took every advantage she could. The girls won the American Conference Crown, the Section 9 Class B Championships, and the Regional Championships. They were edged out in the Semi-Finals for States.

We would like to congratulate Coach Attack for being selected by the Times-Herald Record as Coach of the Year. She has done a great job.

We are extremely proud of the girls and Coach Attack. We hope your success continues in college. You have set a tough record to beat for the rest of the girls in the years to come.

The Panthers boasted an impressive 12-7 record this year.

Unlike last year, the cagers had five offensive threats on the starting line-up. Point guard Mike Allen blew away the school record for assists this year, but he couldn't have done it without the pure shooting of Earl Wearing and Ivan Silva. Without a doubt, the fastest forward in the league was the high-flying Randy "Adi" Williams. Sophomore Ken Williams took in the boards for the Monties.

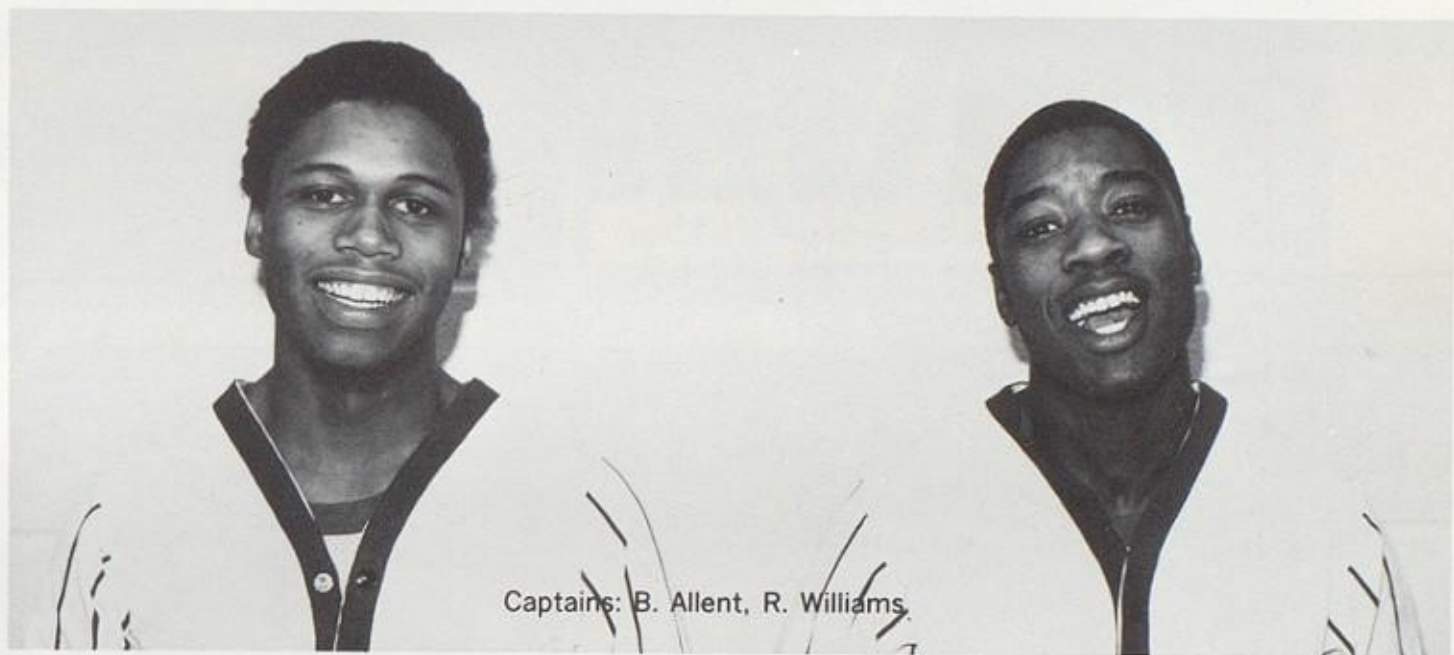

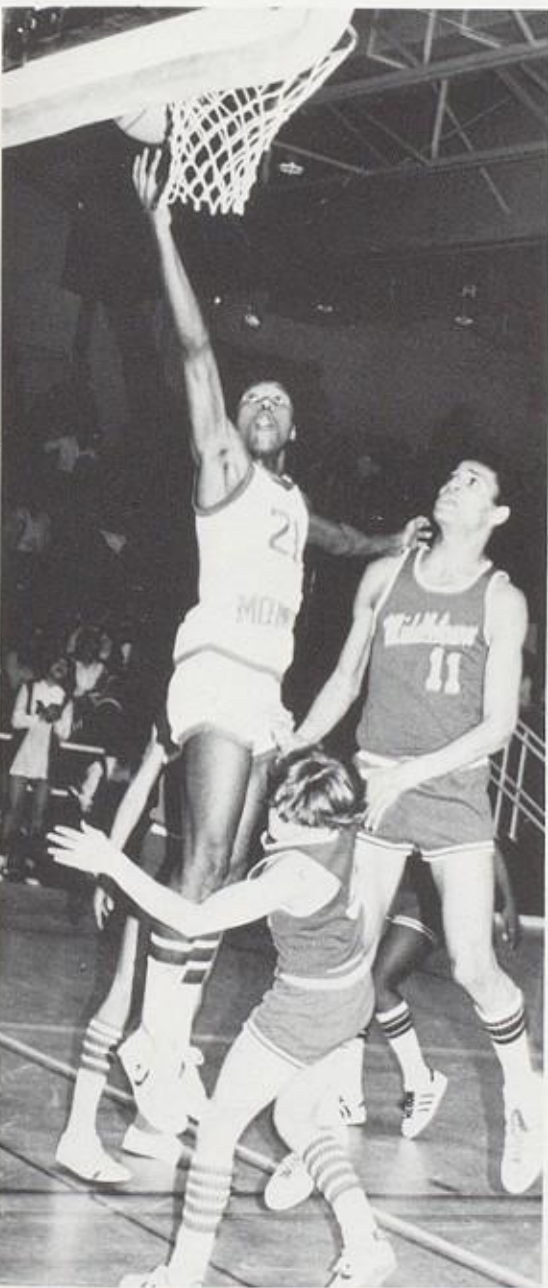

Steve Newman and Eric Manson were the first two off the bench, and did their jobs as strong forward and dynamite shooter. Coach Fleischer was impressed with the play of all seven men.

Rounding up the line-up are Marc Antony, Gene Ellis, Barry Jarrett, and Brian Wells. We're proud of you, Panthers.

The 1980 Varsity Volleyball team had an outstanding season. They finished the year with a 12-2 record. The girls lost to Port Jervis in the last match of the season putting them in 2nd place in the Orange County League. The team was led by Co-Captains Kathy Booth and Helen Reed; both were selected by the O.C.L. to play in the Exceptional Senior Match. With most of the team returning in the 1981 season and outstanding players moving up from J.V., the girls anticipate another successful season. This time, they are going "all the way!"

Upper left - Coach Goldych

front: M. Brown, D. Kaplan, D. Cabrera back: E. Lake, M. Cooper

The 1980 bowling team was led by David Kaplan, Dwayne Cabrera, Mitch Cooper, Ed Lake and Marsha Brown. The team had a very successful season. They took 2nd place in the Section 9 tournament. Everyone will return in the 1981 season, and they anticipate another successful year. Congratulations and good luck!

L. Heimowitz and K. Stolloff. Missing: S. Newman, S. Karp, G. Holland, J. Holland.

In recent years, the ping pong team has participated in an annual tournament in Port Jervis.

Steve Newman and Lonni Heimowitz have been fighting for the number one spot for three years.

The team consists of five players and one alternate. Sean Karp, Joe Holland, Keith Stolloff, and Greg Holland round up the table tennis squad.

STANDING - S. Silverman, M. Rossiter, J. Mendels, R. Morgan. **KNEELING** - Coach Roche. **MISSING:** S. Newman, J. Farquhar.

The Monticello Golf team is in its rebuilding stage and expects to improve over the next two years. The team is paced by three seniors, all of whom have had experience in match play. They are Jody Farquhar, Steve Newman, and Michael Rossiter.

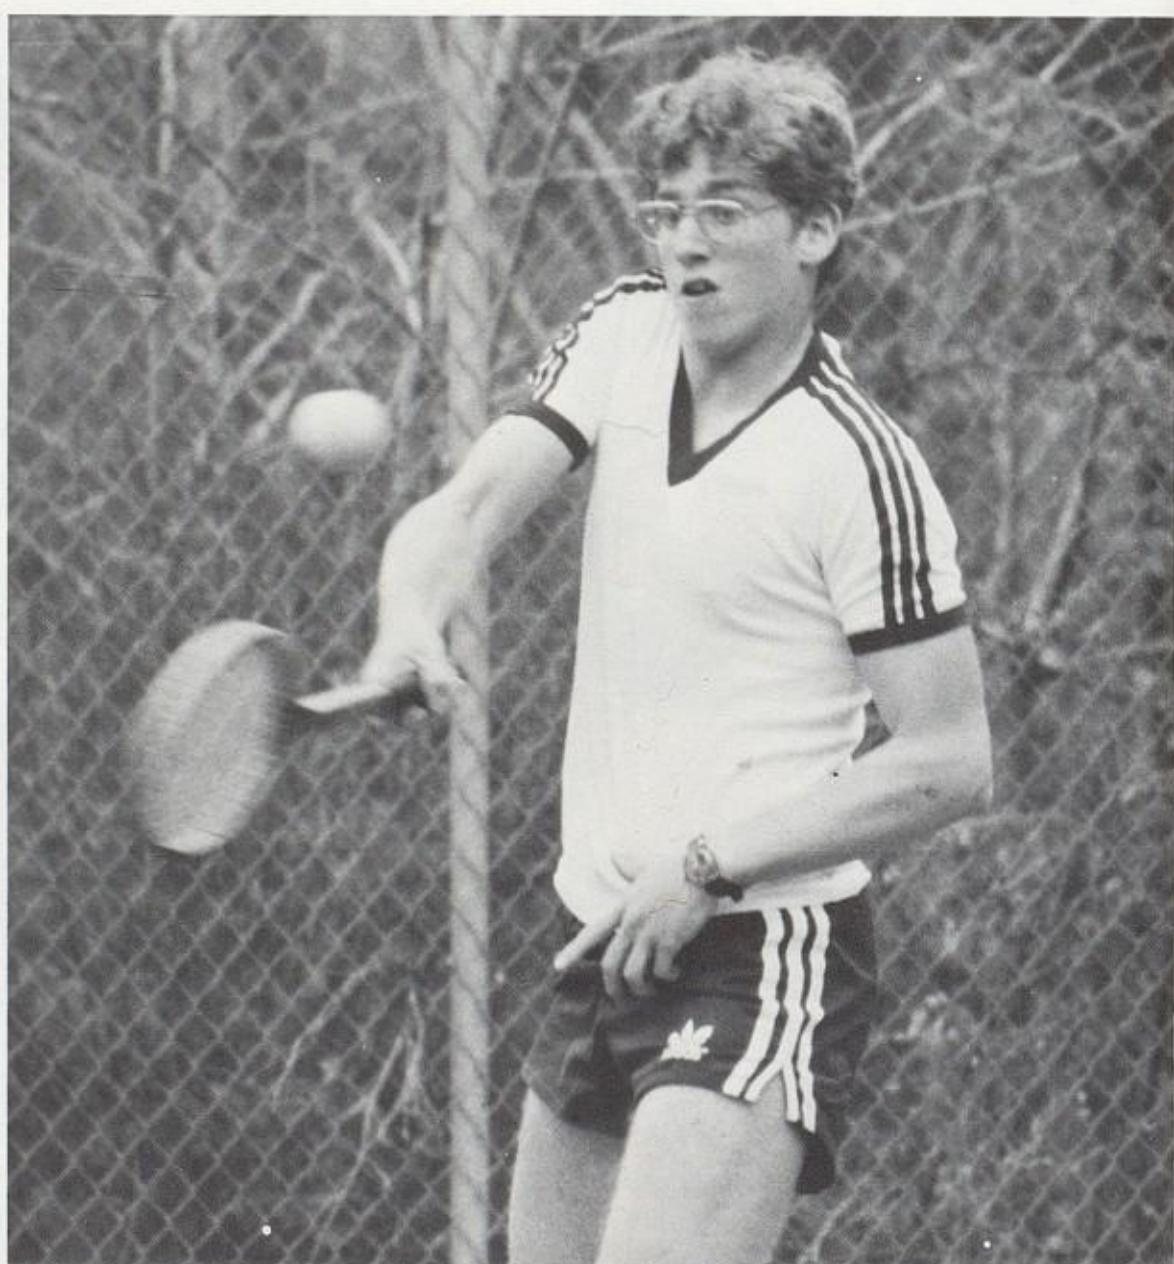

The team also boasts several other excellent players: senior Steve Silverman, junior Matt Goldych, sophomore Jay Mendels, and freshman sensation Rick Morgan. Best of luck, fellas, in 1981!

The Monticello Boys' tennis team had a strong season last spring, and showed depth and consistency. Led by coach Evan Williams, the Panthers, though usually outnumbered, maintained a winning record all season and show great promise for the upcoming season. Last year's graduates were Cory Rapkin and Teddy Jackson; all but one starter will be returning this year. This year's seniors are Sean Karp, David Cutler, Mitchell Katz, Marc Gitlin, and Jerry Bradshaw. The Monties look forward to improving last year's successful season. Good luck!

The Girls' Track team had its best season ever in the spring of 1980! As a team, the girls were the Section 9 Class B champions. There were also some outstanding individual achievements. Sharon Wiles was the Section 9 champ in the hurdles and high jump. She placed 7th in the high jump at the New York State meet. Tracey Armstead captured the Section 9 championship in the long jump and 100 meter dash. She placed 2nd in the long jump at the state meet. With almost the entire team returning in the spring, Coach Bryant and the girls anticipate another overwhelming season. Thank you for a job "nicely-done" and good luck!

Adam Bradley captured 1st place, at the Section 9 meet, in the long jump with an overwhelming distance of 22'9½". He was 5th in the long jump at the New York State championship meet. Rafael Pizano was 3rd in the 330 yd. hurdles at the Section 9 meet. Also during that meet, Ed Niemann took 4th place in the high jump with a distance of 6'4", a new school record. Coach Bryant and the boys anticipate another fine, if not better, season. Congratulations and good luck!

The Monticello Varsity Baseball team laid the foundation for a winning future with several key O.C.L. victories in 1980. Despite an apparently dismal 3-16 record, the Monties have 6 starters returning in 1981, more than most teams in the league.

Third year coach Kyle Hoar has "Most Valuable Player" and 3rd team O.C.L. All-Star Dwayne Cabrera; leading hitter Robert Rush, both seniors; and Sophomore Matt Romano to look to for leadership and productivity on a vastly improved Monties team. Good luck!

Monti High, we love your colors
Of the blue and white;
And to keep your place of honor
We will always fight.

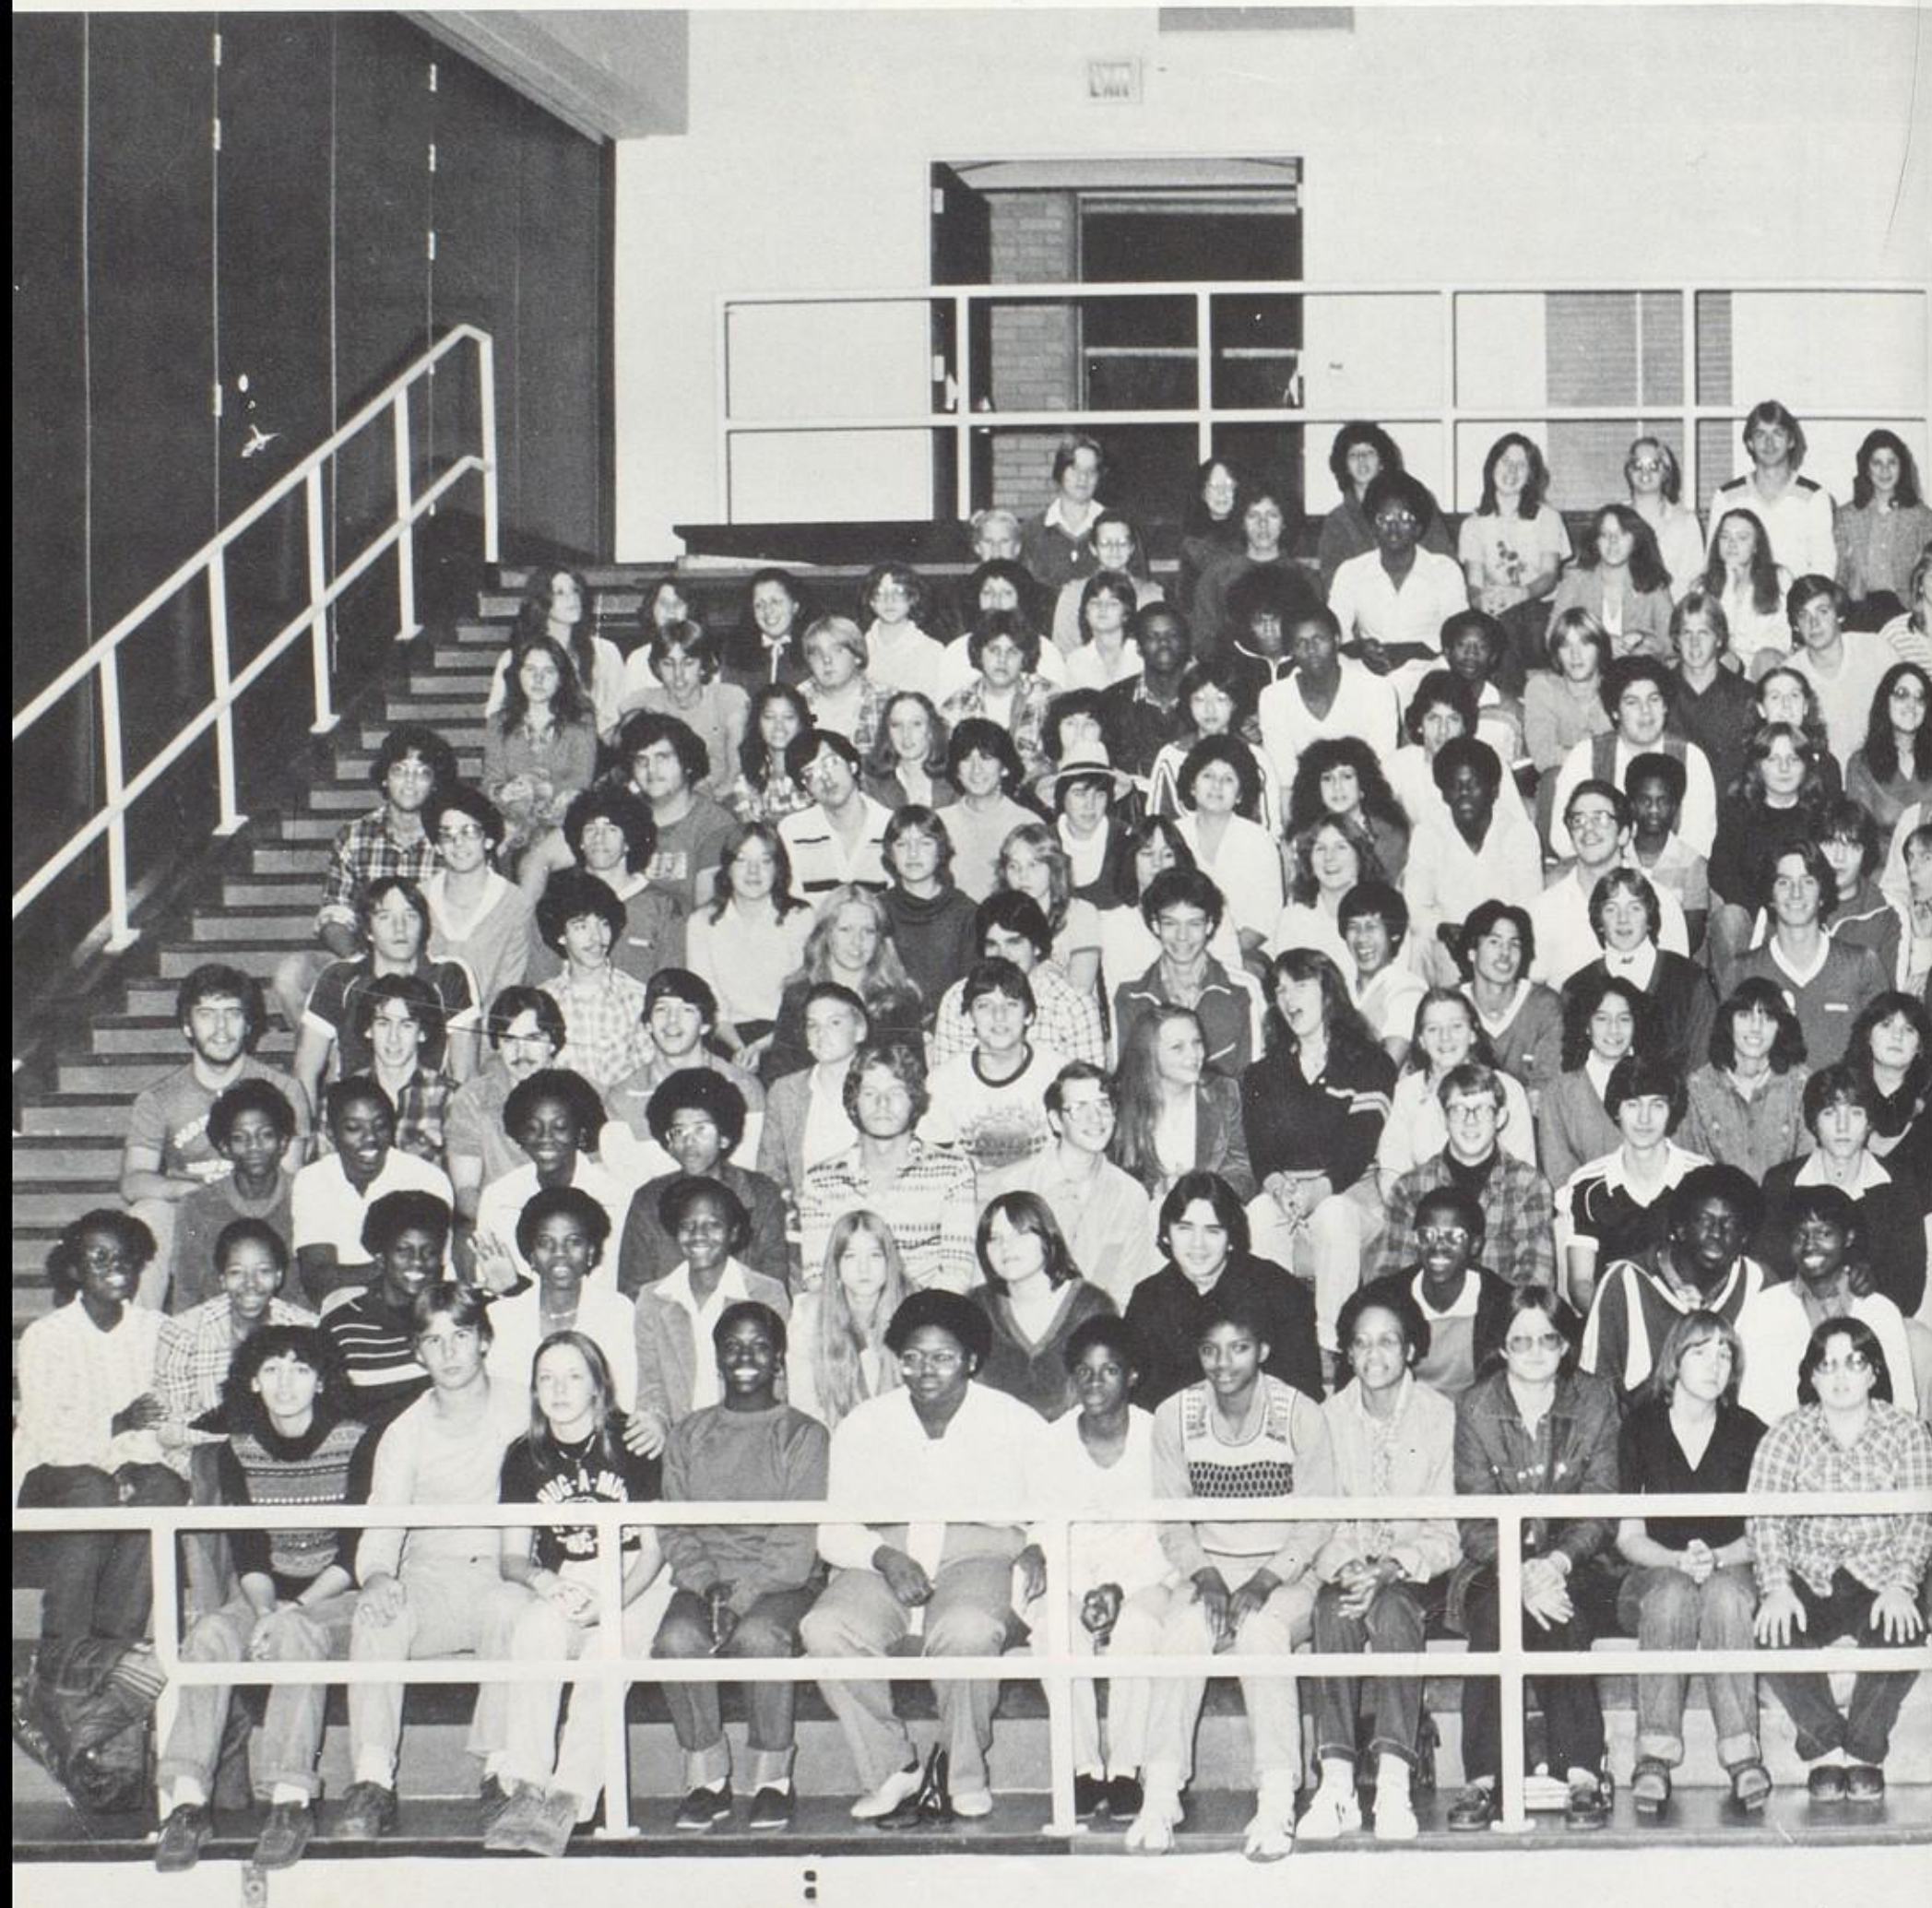

Lift your colors, fling them outward,
Show that we are true;
Monti High will never falter,
We'll be true to you.

High School days are swiftly flying,
Swiftly flying by;
Let us not forget in passing
Monticello High.

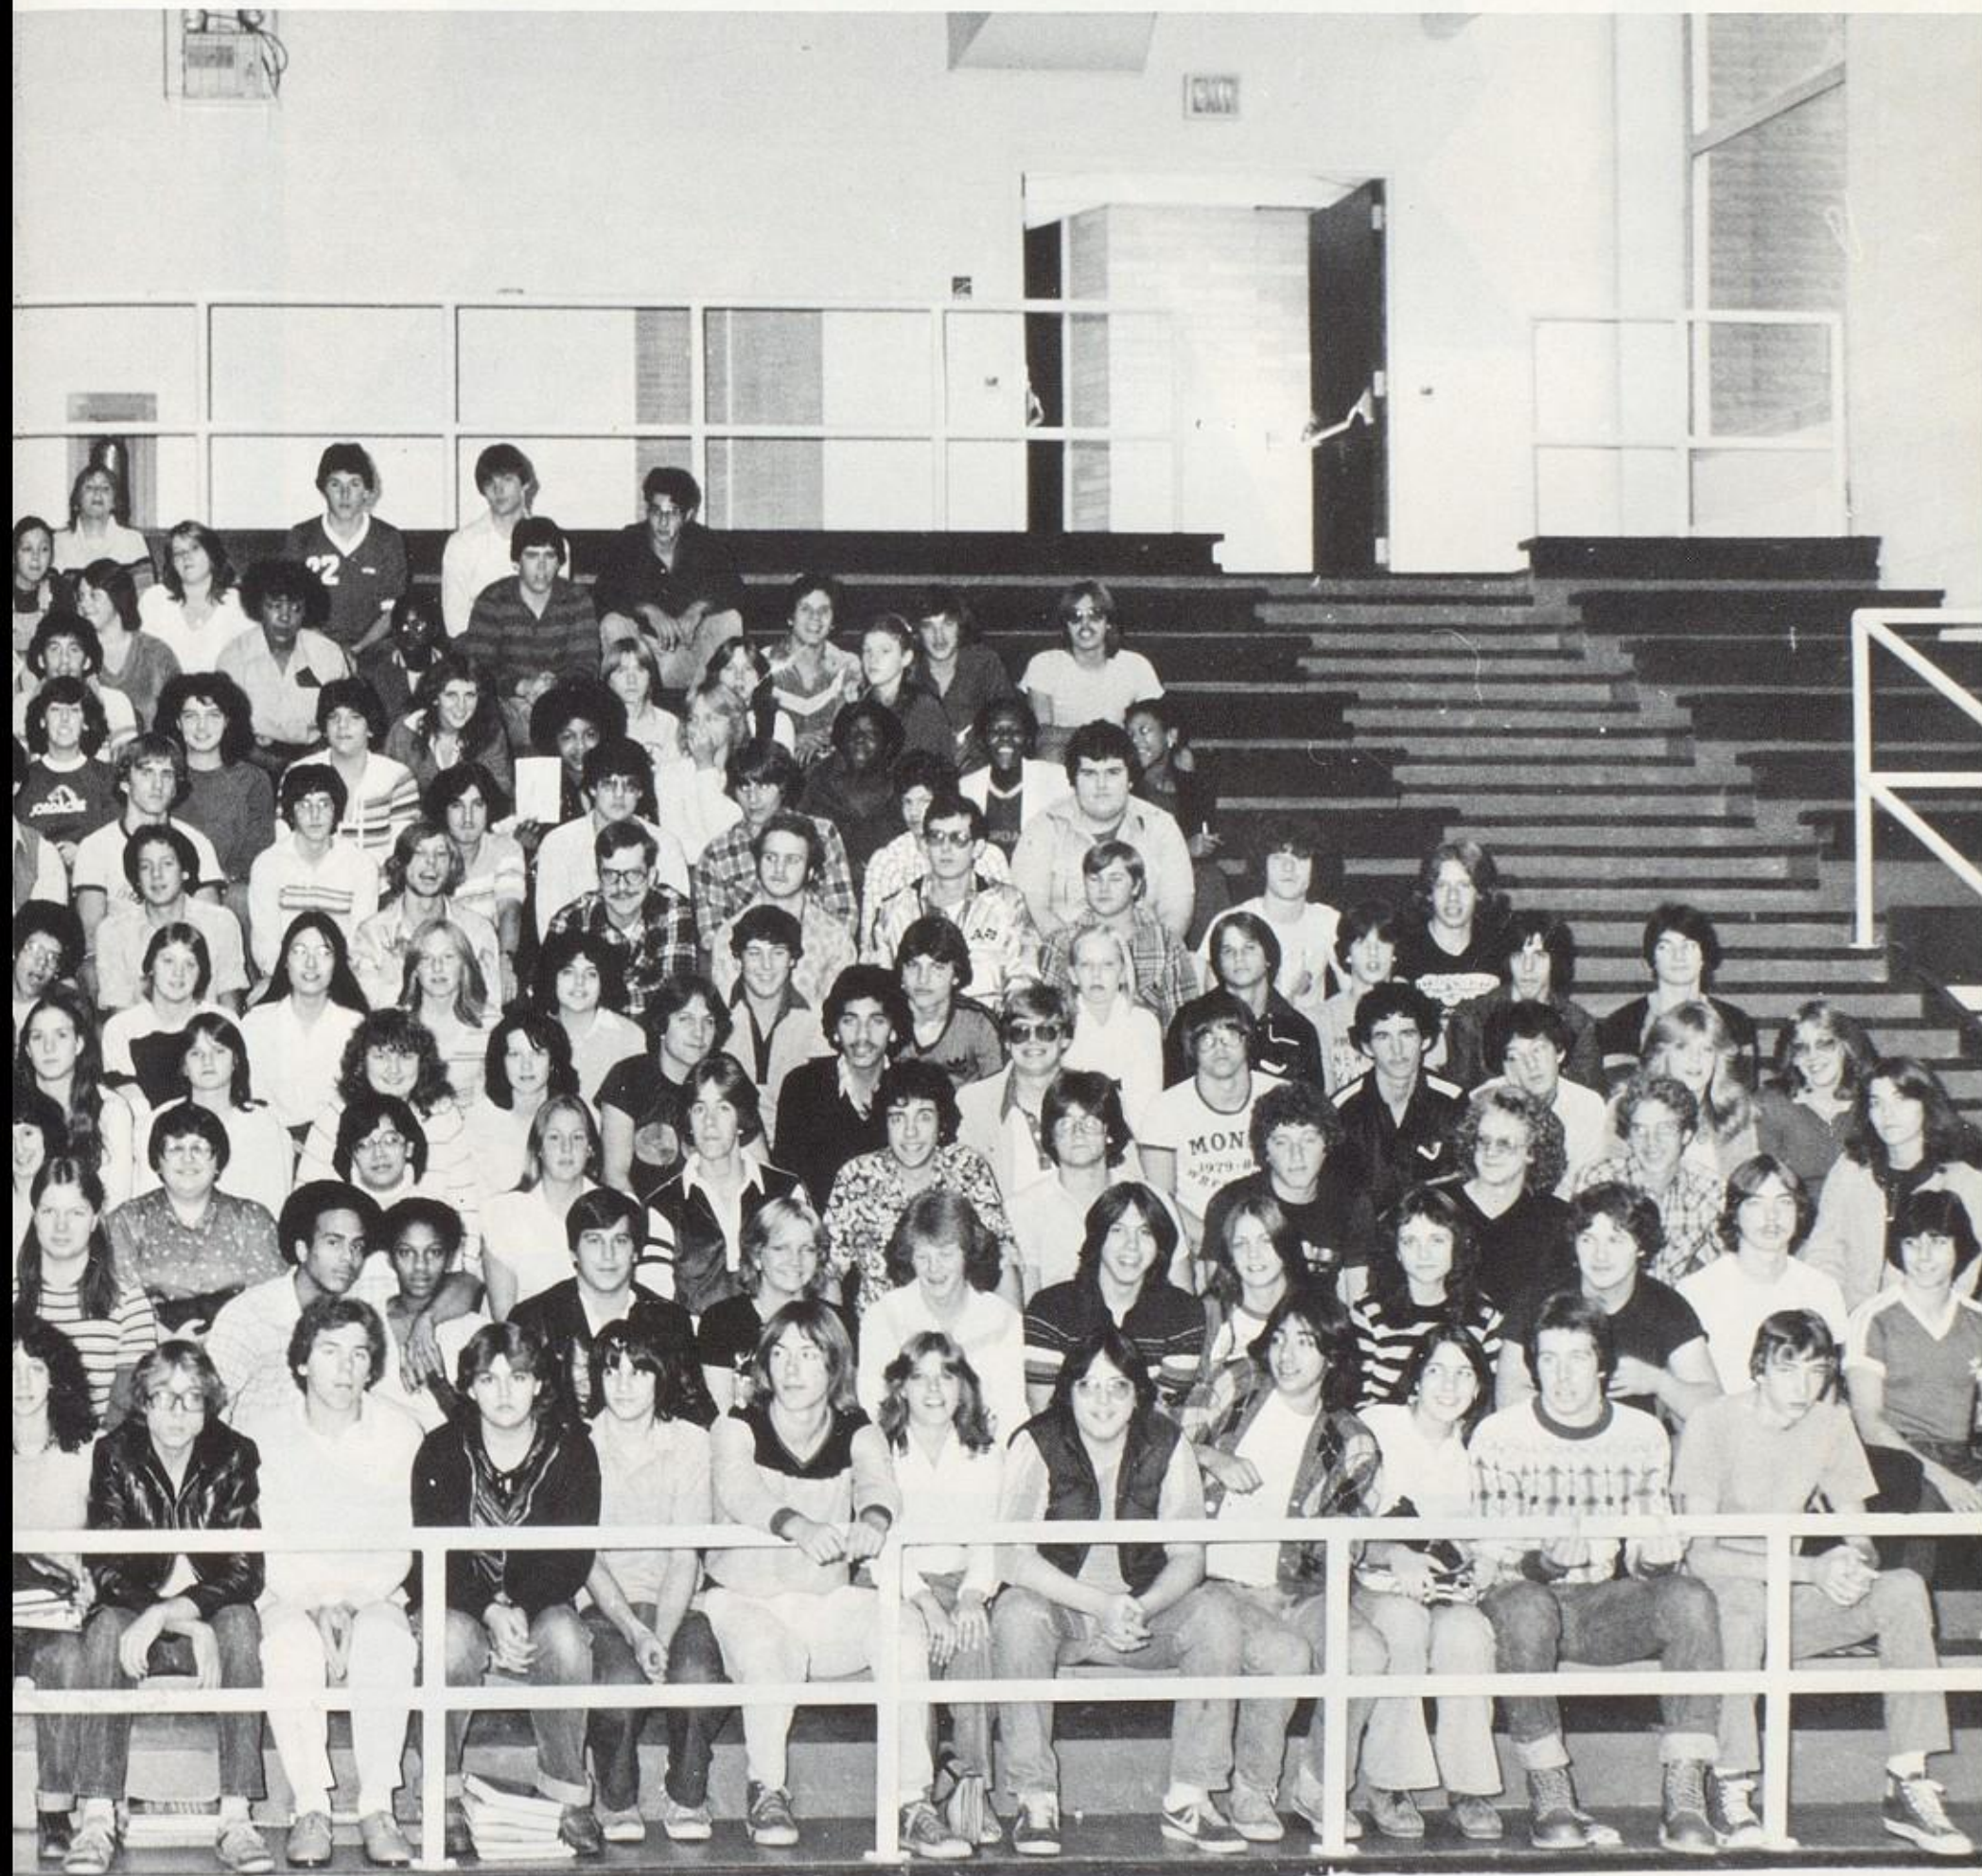

Lift your colors, fling them outward,
Show that we are true;
Monti High will never falter,
We'll be true to you.
